### THE AMERICAN WAY

Me and My Shadow

### Two Die, Two Injured In Head-On Crash at Alpine Road and U.S. 45

Two persons are dead and two are recovering from injuries as a result of a two-car head-on collision on Wednesday night of last week on U.S. 45 at 167th st., known locally as the Alpine road.

Dead are:  
Willard J. Grogan, 53, Hinsdale.

Mrs. Marilyn Nutt, 33, 2402 Lakewood, Dyer, Indiana.

The two injured:  
Robert B. Nutt, 31, 2402 Lakewood, Dyer, five broken ribs, cuts and bruises.

William Grogan, 20, Hinsdale, cuts, bruises, shock.

The senior Grogan, said to be driver of the northbound car, was instantly killed. Mrs. Nutt, a passenger in the car driven by her husband, traveling south, died Saturday at Oak Forest Infirmary, as a result of multiple injuries.

#### Leave Infirmary

Nutt and young Grogan also were taken to the infirmary. Nutt was discharged last Thursday and young Grogan also left the same day to become a patient at a LaGrange hospital.

State Police Officers Leonard Agrell and George Mikalauskas, from District 4, who covered the accident, reported that William Grogan and Mr. Nutt were the drivers.

Alpine road crosses U.S. 45 on the crest of a hill, that slopes sharply to the north and south and persons in that area have been complaining for years of the hazardous situation. In the summer when weeds are growing, persons approaching U.S. 45 from Alpine road are unable to see approaching traffic until they are practically on the highway.

#### In Wrong Lane

Traffic is general moving at a fast pace on U.S. 45 and according to witnesses the cars involved in the fatal crash last week were no exception to the rule.

According to persons who were at the scene, the Grogan car, continued on Page 16)

### Lions Present Play Equipment To Mokena Park

Mokena Community Park is boasting some new play equipment this week, donated and erected by the Mokena Lions club. The children are already sliding down the slick new slide, swinging on the four new swings and jumping off and on the teeter-totters. The equipment has been erected back by the picnic area of the park which one enters from LaPorte road.

Tomorrow Marilyn Boleman will finish her term as play director in the park where she has kept many children entertained and busy. It is the hope of the park commission that many children and adults will continue to come out to the park for picnics, baseball, and other pleasurable activities.

### L-W High Will Open September 3

September 3 is the opening day for school at Lincoln-Way. This will be a half day for all students with buses making their regular runs in the morning and immediately after dismissal at noon. Additional information about the opening day will be published in the newspapers prior to the opening of school.

All prospective students in the Lincoln-Way district who have not registered are urged to report to the high school at 9:00 a.m. Aug. 20 in order to complete testing and registration. Persons desiring further information may call the school at New Lenox 2051.

## Lions Call at Homes to Speed Signing of Service Applications

### Lincoln-Way Budget on File at School; Approximately \$633,000

The Lincoln-Way high school board has arrived at a tentative budget for the coming school year which will total approximately \$633,000. The budget is on file the school office for public inspection for the next 30 days.

The total is higher than that of last year because of the sale of \$180,000 of bonds for the new addition to the school. The figure must be included in the budget in order that it may be paid out.

Of the \$633,000 called for in the budget, approximately \$407,000 is to be raised thru taxes. The remainder comes from other sources.

As far as taxes are concerned the same rates will be employed as last year for the educational building funds—86 cents for educational purposes and 15 cents for building purposes.

A tentative tax levy ordinance also is on file in the office of Supt. A. Hunter Chapman. It carries the two rates given above and in addition there are two others, 33 cents for bonds and interest and two cents for transportation costs.

#### Adopt Transportation Tax

The two cents for transportation was added by board action last Thursday night under a new law which was passed by the general assembly this year.

It provides that a school board may levy a two-cent transportation tax without referendum; such a tax may be increased to 10 cents per \$100 of equalized valuation with a referendum.

Under the new multiplying factor for Will county the equalized assessed valuation for the Lincoln-Way district was increased approximately \$2,000,000. It was some \$27,600,000 and is now \$29,800,000.

The two-cent transportation tax will bring in approximately \$6,000 on the new valuation, Supt. Chapman said. The cost of transporting pupils this past year was around \$17,000. Of this amount \$9,900 will come from the state.

Lincoln-Way received \$20 for each pupil furnished with transportation. That was the maximum paid by the state under the old law. The new law is based on the number of square miles in a district. The maximum size district is 50 square miles or more and the maximum payment per pupil in such a district is \$32. But the state will not pay more than 50 per cent of cost, including depreciation on buses.

#### Return About the Same

There are 112 square miles in the Lincoln-Way district but last year its per capita cost for transportation was approximately \$30 a pupil. That would mean that under the new formula Lincoln-Way would get \$15 instead of \$20 per pupil. However, the buses are another year older and the depreciation is expected to bring the total aid for transportation from the state up (Continued on Page 16)

### An Open Letter To Prospective Sewer Users

To The Property Owners of Mokena:

We have been asked to include \$10 with our application for sewer connections.

This means that every application is genuine. The enclosure of \$10 with the application is proof to the bond company that these applications were not filled in by one or two persons in someone's kitchen.

To those who have not turned in their applications, I would like to ask what are you going to do with the discharge from your septic tanks, if the sewer project does not go thru? This discharge from most tanks is far from pure, and it cannot continue to go where it is going now. The drains in use in the village are just field tile.

You cannot form your own private stink pond in that backyard. You will not be permitted to erect privies.

At least I can say that I have done everything in my power; my signed application and \$10 deposit is proof that I was not against providing sanitary conditions for my home. I would advise all property owners who have not done so, to get their applications on file.

I think that persons who advise you not to sign the applications are wrong.

The cost is high, but the proposed sewer system is a good one. There are no frills. It is patterned for the present and the future.

Our neighboring towns would be glad if they had our natural conditions to contend with—no quick sand, no bedrock to blast.

Whether the project goes thru or not I am going to ask the village clerk, when all the applications are in, to see the list, not to see who is on it, but rather who is NOT on it. AND YOU SHOULD DO THE SAME THING. Then in years to come we can say THEY are the ones who prevented it, or, I hope, we can think of the names on it and say those people were foresighted enough to protect the value of their property and the health and growth of Mokena.

To anyone having a desire to answer this, I say don't hide behind an unsigned letter.

(Signed) JOHN R. SCARTH

### Spring Creek Bridge On Cedar Rd. is Open

The Spring Creek bridge on N. Cedar road has finally been opened to traffic, after causing a detour since early April.

Mokena village officials have high hopes that by the end of next week they will have the 350 applications for sewer service that must be on file before the bond houses will take the bonds necessary to finance the program.

To aid the village board in this part of the program, the Mokena Lions club began a house-to-house canvass of the village Tuesday night to urge immediate signing of the applications.

First reports from the teams indicate that the slow return of applications has been thru oversight or neglect rather than any opposition to the sewer program.

It was explained to the householders visited, that the request for a \$10 deposit to accompany the application was made as proof to the bond companies that the applications are bonafide.

The \$10 deposit will be returned or the depositors may get credit for it on his water bill, it was explained.

Members of the village board would like to have the applications in as soon as possible so that the bonds can be sold.

Bids on the work have been asked with the understanding that the project is not to begin until the money is available.

A federal grant of \$69,000 has been allotted to Mokena to defray some of the cost of the sewage treatment plant. This means, of course, that the (Continued on Page 16)

### Commend Mayor And Board On Plan Commission

In the form of a resolution, the Mokena Lions congratulated Mayor James Marti and the board of trustees for the establishment of a Planning Commission in the village.

The Resolution signed by Lion president Fred G. Lehmann, reads:

WHEREAS president and board of trustees of the village of Mokena have provided for the appointment of a planning commission; and

WHEREAS it is the opinion of the Lions club of Mokena that such a planning commission will be of great assistance in protecting the health, welfare and property values of the village of Mokena and the surrounding community; and

WHEREAS the Lions club of Mokena is always interested in the welfare of the greater Mokena community.

NOW, THEREFORE, BE IT RESOLVED by the Lions club of Mokena that the president and the board of trustees be commended for their foresight in creating a planning commission, and it further urges the support and cooperation of the entire community in this effort to preserve the welfare of the residents of the Mokena area.

## Letters To The Editor

Dear Sir:

Late sleeping neighbors in the vicinity of Walt Yunker's garage probably thought Walt had opened up a boiler factory early last Sunday morning but it turned out to be our local volunteer firemen working on the fire truck.

The water tank had developed a leak that needed repairing, so the boys removed the tank replaced the old tank bottom with a new one painted it and put the truck back into operation all in one day.

We want to thank the fire departments of Frankfort, New Lenox and of Orland for standing by for us in case of emergency. Our thanks also to Walt Yunker for the generous use of his garage and equipment, to Al Braun and John Scarth for the necessary steel to do the job. To Roy Newton for the use of his welding rig and also to the many interested volunteer firemen without whom the job could not have been done.

JAMES G. MARTI  
President of Mokena Fire Dept.

## Tinley Hardware Gets Dealership For Colt Guns

Tinley Park Hardware, 17314 Oak Park ave., Tinley Park, has been selected as a registered Colt dealer by Colt's Patent Fire Arms Manufacturing Co. of Hartford, Conn., according to an announcement made by Fred A. Roff, Jr., vice president of the gun manufacturing firm.

Roff said that Tinley Park Hardware was awarded the much sought after dealership because of the excellent reputation and superior ethical standing which are an integral part of this merchant's operation. "After due consideration of all factors concerned, we are convinced that Tinley Park Hardware qualifies to represent Colt's as its selected registered retail dealer in this lively trade area," Roff said, "and hereafter the public will find a full line of Colt's famed guns in his establishment."

On Feb. 1, after conducting a nationwide survey of handgun dealers, the Colt company reversed the formation of a new policy to eliminate jobbers and sell direct to a selected group of dealers, Roff said. Of 40,000 potential gun dealers thruout the country, only a select few will receive the valuable Colt Franchise.

"The new policy will assure registered Colt dealers of being able to furnish customers with handguns they want when they want them," Roff added.

As part of its commitment in the new franchise relationship with Tinley Park Hardware, Colt's will provide close factory contact through its sales representative, continuous promotional and technical sales aids, in-store sales training, new and improved models from time to time, and the full impact of the tradition behind the celebrated 120 year old Colt organization, Roff said.

## Toastmasters Hold Meeting at Mokena

The New Lenox Toastmasters club met in the home of William Wilson, Wolf road, Mokena Monday night for its regular meeting. It was ladies night and there was a good attendance. A potluck supper was enjoyed.

After the supper the regular meeting was held with John Burlingame as toastmaster, Ernest Hofer, topicmaster.

Speakers were William Clark, William Heidrich, Paul Kauffman, John Minion and Ronald Whitaker. The invocation and benediction was given by Lester Brown.

Stanley Gilmore served as master evaluator with evaluators being Earl Moss, Elias Brown, Louis Loebe, and Mr.

**LIONS PAINT AND ERECT PLAY EQUIPMENT**—at Memorial Park in Tinley Park and the youngsters appreciate it. The equipment sees a lot of use. It was purchased by the Tin-

ley Park Recreation Commission last year and before it was put in use this season some repairs and refurbishing were necessary.

(Marvin Smith photo)

Wilson. Timekeeper was John Richison.

The club's next meeting will be Monday, Sept. 9 and will be held in the Methodist church in New Lenox. Now that vacations are mostly over, the committee in charge hopes to have 100 per cent attendance.

## Air Conditioning Via Gas on First Come Basis Now

Northern Illinois Gas Company has announced plans to provide a maximum of 500 customers with year-round gas air conditioning service on an experimental basis. This program was petitioned for and recently approved in anticipation of future additional supplies of natural gas.

Opportunity to take advantage of the gas company's experimental plan will be initially offered customers on the utility's space heat waiting list on a first-come, first served basis, according to H. A. Diekmann, vice president in charge of sales. Letters explaining the program are being mailed to customers starting with those highest on the waiting list.

Diekmann emphasized that the intent of this program was for the gas company to gain broad knowledge and experience in the field with respect to maintenance, service and overall general performance of the year-round home conditioning units.

### Must use excess

He pointed out that when additional large supplies of natural gas are available—basically for sale to space-heating customers—the company will have an excess of natural gas in the summer months; Northern Illinois Gas must find outlets, such as offered by air conditioning, to use up this anticipated excess during the warm months in order to maintain the present relatively even winter-summer consumption if the utility is to maintain the lowest average cost of natural gas service to its customers.

"It is to the interests of our customers," he said, "that we pursue every avenue available to us to market our gas so as to reduce or eliminate the summer excess which will confront us in future years of operation."

### Not for steam

Procedure for initial distribution of the 500 year-round gas air conditioning authorizations, Diekmann explained, is based on the same plan used for a space-heat authorization. Each category on the waiting list (existing homes, individual new homes and project homes) initially will be allotted its proportionate share.

If any of the 500 authorizations for this combination air conditioning-space heat program remain unused after all persons on the waiting list have had an opportunity to request this service, the remainder will

be offered to the public.

As explained in the letter being sent customers on the waiting list, this year-round gas air conditioning program probably will be of interest only to those who have forced air heating systems in their homes.

## July Rains May Boost Corn Crop

Just what is a normal July in the corn belt? That question can be answered best by referring to averages for a period. And where better to get such averages than from the center of the corn belt—in Iowa? DeKalb's crop reporter at Grinnell Ia., presents these figures for the month of July:

Average max. temp..... 90 deg.  
Average min. temp. .... 65 deg.  
Average spread low to high, 25 degrees

Days above 90 ..... 15  
Days reaching 100 ..... 3  
Longest consecutive period of above 90 temps. .... 6

July 16-21 ..... 9  
Days with measurable rainfall ..... 9  
Total rainfall ..... 10.28 in.

Heaviest rainfall in one day (27th) ..... 3.09 in.

This indicates an easy way to figure in advance the prospective high temperatures for a summer day—just add 25 deg. to the early morning temperature.

Certainly this Grinnell rainfall was above average for July, as it was in most of Iowa and Illinois. This will be a contributing factor to an increase in the August 1 government estimate on the corn crop which comes out about Aug. 10. Iowa and Illinois together constitute

approximately one third of the nation's corn crop.

### Borer Damage Scattered

No widespread drouth is in sight this year as it had been for nearly all of the past five years, but limited areas have suffered. Nebraska was beginning to need rain in much of the eastern half with corn beginning to burn in the north-eastern part. Ohio needed rain in the eastern, southern and southwestern parts.

In the south in Alabama, late corn was suffering from a lack of rain.

Corn borer damage seems widely scattered this year, but not too severe. This insect, once thought to be a threat to the very existence of corn, is now taken pretty much in stride. In DeKalb's northern corn plants, treating with DDT granules for control is being carried out only at Storm Lake, Humboldt and Oelwein, all in Iowa, and at Monmouth, in western Illinois. This indicates the center of abundance to be in Iowa.

Grasshoppers have done severe damage in the western Corn Belt, particularly in Nebraska.

"Kindness is one thing you can't give away — it always comes back."

## Cooper Family Has Reunion

The Cooper annual family reunion was held July 28 at the farm home of Mr. and Mrs. Lester Sayers, Wolf road and 159th st. There were over 100 in attendance who came from Orland Park, Mokena, New Lenox, and from Indianapolis, Gary Brook, and Goodland, Ind.

A basket picnic was enjoyed at noon with pop and ice cream served during the remaining hours. The Indiana group presented the program. A skit was given entitled, "Dr. U. R. Sunk" and was much enjoyed. The family history was given by Miss Amy Cooper. The group all joined in singing in addition to the music and songs by record player.

Prizes were awarded to the eldest member present, William Cooper, Ind., the only remaining member of the original brothers and sisters; the youngest was Carol Show, daughter of Mr. and Mrs. Ralph Show; to Miss Laura Cooper, Indianapolis, who came the longest distance; to the most recent newlyweds, Mr. and Mrs. Roy Cooper and to the largest family representation from any of the original brothers and sisters, 21 being present from the Edgar Cooper family of Orland Park.

There were short reminiscing talks by various members which were interesting.

The gathering came to a close by the singing of "God Be With You Till We Meet Again" and the record player singing "So Long, It's Been Good To Know You". The reunion will be held at the same place next year.

Total crop production this year appears likely to fall about 8 per cent under last year's record output.

When you fire a volley of censure at somebody else, you may not feel the recoil at once, but it is present as surely as you are.

Next sale sponsored by the Illinois Purebred Sheep Breeders' Association will be the bred ewe sale on Dec. 14.

## 200 Guests Attend Reception For Bridal Couple at Orland

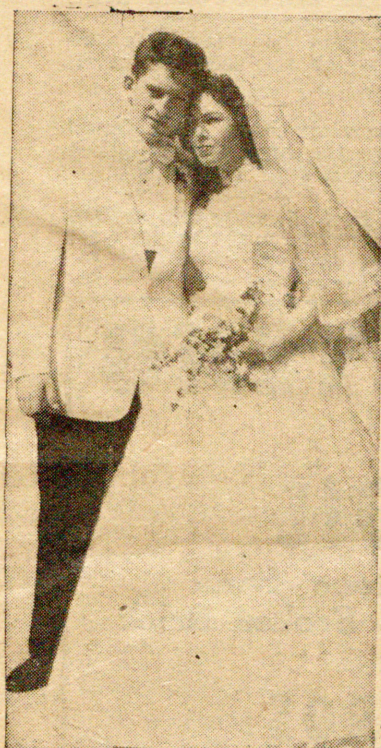

Jewel LaFevre, of Orland Park, became the bride of Donald E. Schroll, of Packwaukee, Wis., on June 29, in the St. Michael Catholic church in Orland Park.

The bride is the daughter of Mr. and Mrs. Robert Fogarty, 155th and Wolf rd., Orland Park. She is a graduate of Carl Sandburg High school.

The groom is the son of Mr. and Mrs. Henry Schroll, of Packwaukee, Wis. He has been serving with the U. S. Army and expects to be released in September.

The church was decorated with bouquets of flowers. Following the ceremony the bride placed a bouquet at the statue of the Virgin Mary.

Escorted by her father, the bride wore a floor length white lace a net gown over satin, with

Mr. and Mrs. Schroll

long sleeves. She wore a matching crown and fingertip veil. She carried a white prayer book with a white orchid and stephanotis.

Mrs. Pearl Schroll, sister-in-law of the groom, matron of honor, wore an orchid gown of Chrystalite ballerina length with matching hat and gloves.

The bridesmaids were Shirley Bundy, of Lyons; and Carol Cetaro, of Orland Park. They wore pink and yellow ballerina gowns with matching hats and gloves.

Charles Schroll, brother of the groom was best man. His other attendants were Raymond LaFevre, bother of the bride; and Richard Shepherd, of Midlothian.

The bride's mother wore an aqua blue lace gown over taffeta with white accessories. She had a corsage of carnations and pink rosebud centers, as did the groom's mother, who wore an orchid lace gown over taffeta with white accessories.

A reception for 200 guests was held in Goodings Grove hall, at which a buffet dinner was served. A 4-tier wedding cake and flowers decorated the table.

The young couple spent their honeymoon in Wisconsin Dells.

## Coming Events

Sat. Aug. 17, Hay rack ride by Teen club, Mokena.

Sat., Aug. 17,—Cards, bunc, prizes, refreshments, American Legion hall, Tinley Park. By American Legion.

Fri.—Sept. 6, beginning of weekly Friday game night at VFW hall, Mokena, 8:30 p.m. sharp.

"One reason so many children are seen on the streets at night is that they are afraid to stay home alone."—H. M. Jones.

## Bettenhausens Hold Reunion

The Bettenhausen family reunion was held Sunday at the north Van Horn woods on route 30. Some 100 attended. A pot luck dinner was served at noon.

The oldest member present was Mrs. Mary Bettenhausen, Green Garden, and the youngest was Cathy, daughter of Mr. and Mrs. Claude Smith, Green Bay, Wis. The Smiths and their five children also received the honor of having the most children present. The members traveling the longest distance were Mr. and Mrs. Henry Bettenhouse, Lakeland, Fla., Mr. and Mrs. Paul Bettenhouse and family from New York and Mr. and Mrs. Ralph Bettenhouse and son, Birmingham, Mich.

The business meeting was conducted by the president, Mrs. Eldon Huenerberg, Beecher. Mrs. Fred Clark, Mokena gave the secretary and treasurer's reports.

Officers elected for the 1958 reunion were, Arthur C. Bauch, president; Mrs. Wesley Bettenhausen, secretary and treasurer.

The reunion will be held next year on the third Sunday in August in the same place with Mr. and Mrs. Harold Stuart, Manteno, Mr. and Mrs. Glenn Warning and Mr. and Mrs. Walter Schoen, Frankfort on the planning committee.

U. S. Steel Corporation, at its Clairton, Pa., plant operates a coal unloader that stand ten stories in height.

Huntington, W. Va., a leading inland waterway coal port, was one of six Ohio River ports to handle more than one million tons of water borne commerce in 1956.

## Junior Woman's Club Will Hold Membership Tea at Orland Park

The Junior Woman's club of Orland Park will hold a membership tea Sunday, Sept. 22, in the home of Mrs. Merrill Cooper. The hours will be from 2 to 4 p.m.

Plans for the tea were made at the board meeting at the home of the president, Mrs. Oscar Enk, Aug. 5. Mrs. Lucille Strom will be chairman and her committee are Mrs. Robert Mulcahy, Mrs. Foster Myrick, Mrs. Billy Clark, Mrs. William Grosskopf, and Mrs. Clarence Creer. Invitations will be sent to the members later, and members are asked to contact the committee for invitations for prospective members.

## Ice Tea Base For Many Drinks

Iced tea is a versatile summertime party companion when you flavor it with a touch of imagination.

University of Illinois foods specialist Mrs. Dorothy McIvor suggests this basic tea recipe with three variations.

Prepare two cups strong tea infusion by mixing about three tablespoons black tea with cold water and placing it in a refrigerator overnight. Or use lukewarm water and steep the tea at room temperature for six or seven hours.

Just before serving, add six cups of fruit juice and four cups of gingerale or charged water and sweeten to taste.

### Various Combinations

One fruit juice combination is three cups of pineapple juice, two cups of orange juice and one cup of lime juice for a golden punch. For a variation, you might make a California punch by combining three cups of loganberry juice, two and one-half cups of orange juice and one-half cup lemon juice. For a third variation, mix four cups of grape

## Citrus Coolers Fun to Fix

Summer refreshment should leave the hostess cool, too, and not entail much preparation. Thanks to Florida, which processes more than half its huge vitamin C-rich orange and grapefruit crops, this is possible. Convenient canned Florida orange, grapefruit, and blended orange and grapefruit juices are available now at new low prices. Stock up, and when guests drop in, take the economical can of juice, an ice bucket and tall frosted glasses to the porch. Let everyone fix his own citrus cooler, adding garnishes, soda water or gingerale to taste.

To frost the glasses, dip in unbeaten egg white, and then in granulated sugar.

Here are two cooler suggestions:

### Grapefruit Whitecaps

3½ cups canned Florida grapefruit juice  
1 egg white  
2 tablespoons sugar  
Nutmeg

Pour chilled juice into tall glasses. Beat egg white until stiff; beat in sugar gradually. Put spoonful in each glass; sprinkle with nutmeg.

YIELD: 4 servings.

### Citrus Sodas

For each soda, combine ¾ cup chilled Florida orange, or blended orange and grapefruit juice with ½ cup chilled gingerale in a tall glass. Add a large scoop of vanilla ice cream.

tor for United Air Lines. The Hulls have been fortunate in renting the place on Front st., recently vacated by the Lyman Teague Jr. family. While on the motor trip going and coming from Sacramento, Calif., where they visited her sister, they stopped at Mt. Rushmore the Bad Lands, the Mormon square in Salt Lake city and many other places of interest. Their furniture which is in storage in Chicago will also be returned to Mokena.

Mr. and Mrs. LeRoy Jarchow are parents of a son, born Aug. 7. The young man weighed seven pounds five ounces and has been named David Lee.

Alfred Hatch and sister Mrs. Etta Grassel of St. Petersburg, Fla., returned to Joliet two weeks ago and are living in her apartment on Western ave., Joliet. They have been visiting friends in Mokena last week and will return to Florida Nov. 1.

Members of the Auxiliary of the Wm. Martin post plan to attend the meeting of the 5th district which will be held in the Butler Lake building West Park One, in Libertyville, this Sunday, Aug. 18. The meeting will open at 2:30 and a school of instruction will be given at 1 p.m. for all officers. The local auxiliary will sponsor their regular card party in the hall on Wolf road this Saturday night Aug. 17 starting at 8:30 p.m. The public is invited.

Mokena friends were glad to hear the news of the birth of a son who has been named Michael Eugene born Aug. 8, to Mr. and Mrs. Eugene Tomlin in a hospital in Frankfort, Ind. It will be recalled that the Tomlins figured in a serious auto accident this spring. Both Mrs. Tomlin, the former JoAnn Rueckert, and her baby are fine.

Pvt. and Mrs. Steven Foster and son Steven Craig, who visited with her father Dean Rueckert and family, have returned to his camp in Louisiana, after also visiting her sister, Mr. and Mrs. Eugene Tomlin in Frankfort, Ind.

### Ott Reunion

The descendants of the late Michael Ott held their annual family reunion Sunday, at Dellwood Park, with 77 in attendance. Pot luck dinner was served at noon and supper in the late afternoon. The committee in charge were Mr. and Mrs. Geo. Welter, Mr. and Mrs. Alvin Welter, Mr. and Mrs. George Ballew and Mr. and Mrs. Bruce Anderson. Games were played with prizes for the winners.

Mrs. George Ott was the oldest lady present and Walter Ott the oldest man. They, too, were awarded prizes as were Bonnie Kaye Garling, the youngest girl, and Bruce William Rutter, the youngest boy.

Appointed to make arrangements for next year, were Mr. and Mrs. Elmer Ott, Mr. and Mrs. Howard Ott, Mr. and Mrs. Elmer Adamson and Mr. and Mrs. Raymond Ott.

Many relatives and friends from here attended the wedding of Jean Rowley, daughter of the Elmer Rowleys of Lockport and Arthur G. Stone of Joliet, Saturday evening, Aug. 10, at 8 o'clock in the Lockport Congregational church.

Mr. and Mrs. Ralph Temple are the parents of a daughter, born Aug. 9 in a Lincoln, Nebr. hospital. The baby has been named Cynthia Lou, her mother being the former Mary Lou Adelman, daughter of the Charles Adelmans, Sr., of here. Mrs. Adelman, Sr. and children, Karen and Vince, left Sunday to go to Lincoln to visit the little new-comer.

Mr. and Mrs. Charles Eklund of Little Valley, New York visited friends here over last week end. Monday evening, they were accompanied to Downers Grove by the Bruce Anderson family, to see Mrs. Ira Anderson who was spending the week with the Joe Vancils. Mr. Eklund lived in the Anderson home many years ago.

The new Paul home being built on Homer road, was robbed of many valuable fixtures last Tuesday night between midnight and daylight. Traces

of a large truck could be seen in the road in front of the home, but the marauders have not been apprehended.

Harold Mohney is enjoying his annual vacation at his home.

The Louis Greenwald family have returned from a weeks outing in Wisconsin.

Susanne Burcham and Betty Anderson are attending church camp at Tower Hill, Michigan this week.

A delegation from Homer church attended services Sunday in Berwyn where they heard Rev. Stejskal of Brookfield preach. He is a pastoral candidate. Those from here who went were Mr. and Mrs. Henry Rodgers and daughter, Kaye, Mrs. E. J. Paddock, Jerome Paddock, Rev. and Mrs. H. M. Finley, Delbert Shepherd, Loren Aspel and John Hollister. There will be no services at Homer church Aug. 18. On Aug. 25, the regular schedule will be resumed with Sunday school beginning at 9:30 a. m. and worship service at 10:45.

The Homer Men's club met in the church the evening of Aug. 1. At the Sept. meeting they will have colored pictures shown by G. C. Frazer taken on his trips in various parts of the U. S. Refreshments will be served.

Mrs. Reed Burch fell in the basement of her home Friday, receiving a cut on her face which required several stitches and breaking her dental plate.

Mrs. Robert Shepherd, Sr. spent a few days last week in Joliet with her mother who is seriously ill.

The Geo. Blasing and H. Bruer families, 159th and Homer rd., have returned from a vacation in Wisconsin.

Don Cagwin again won the Grand Champion award on his steer at the Peotone 4H exhibit. Judy Osborn was named the Grand Champion Goat showman; Victor Blaha exhibited the champion pen of rabbits; Irvin Termunde, Faye and Geo. Anderson received ribbons on their dairy calves; Iris Filipowicz has been chosen a delegate to attend classes on Food demonstration at the State Fair in Springfield.

Mrs. Frank Loucks acted as judge for 4H projects at Peotone.

Mrs. Barney Welter and Mrs. Charles Adelman Jr., assisted Mrs. Jennie Pankow in the latter's home Saturday evening when she was hostess at a stork shower in honor of Mrs. Norman Pankow of Great Falls, Mont. Gifts were presented by a large group of relatives and friends and they will be mailed by the hostess to the honored guest who was too far away to attend.

## MARLEY

Mrs. Virginia Sass  
New Lenox 3133

Miss Cora Hyink celebrated her birthday Sunday at a family gathering in her home. Guests were Mr. and Mrs. Geo. Vogt and family of Allegan, Mich.; Mr. and Mrs. Clinton Moore and daughters Rose and Pamela of Dowagiac, Mich.; Mr. and Mrs. J. W. Mahaffy of Palos Heights; Mr. and Mrs. Daniel Sass and Frank Liszt and sons.

Dinner guests Sunday in the home of Mr. and Mrs. Victor Zaloudek were Mr. and Mrs. Rod Camp and sons of Chicago; Mrs. Emanuel Zaloudek and Mrs. Sylvia Bovington of Berwyn; Mr. and Mrs. Glenn Zaloudek and Mr. and Mrs. James Walsh and children Scott and Robin.

Mrs. Fletcher Binion entertained at a party in her home Saturday morning in honor of her son Gene and his third birthday. Guests were Mrs. Don Reiter and children Tommy and Carol of Joliet; Mrs. Ralph Spiecker and children Leslie and Susan and Mrs. Loren Sass and daughter Verda Jo.

The Jolly Neighbor's pinochle club met Wednesday evening in the home of Mrs. Leo Shields. Prizes were awarded to Mrs. John Riley, Mrs. Charles Elliott and Mrs. Charles Ingram. Refreshments were served.

Several Marley folks attended the wedding of Miss Jean Rowley and Gerald Stone at the First Congregational church in Lockport Saturday evening. At-

tending from here were Miss Helen Tilley, Miss Agnes Haley, Mrs. Edward Sproat and daughter Bonnie, Mrs. Adella Sproat, Mrs. Robert Sproat, Mrs. Durward Killinger and Mr. and Mrs. Loren Sass.

Kimberly and David Vogt of Allegan, Mich., are spending this week in the home of their grandfather, Frank Liszt Sr.

Mr. and Mrs. Otto Moravec and family spent a few days last week with relatives in Dowagiac, Mich.

Mr. and Mrs. Edward Sproat and Bonnie, Miss Bessie Sproat and Glenn and Harry Sproat attended the Kerr family reunion at Roscoe, Ill. Sunday.

Miss Minnie Battenhouse of Lemont is a guest this week of Mrs. Mary Marshall.

Jacklyn Corp of St. Anne spent a few days last week with her grandmother, Mrs. Beatrice Coe.

Mrs. Louise Cutler and Mrs. Beatrice Coe were guests Wednesday of Mrs. Iola Storm and Miss Myra Reed in Lockport.

Mr. and Mrs. Thomas Gleason and children Michael and Bryon of Manhattan were guests Sunday evening of Mr. and Mrs. Robert Sproat.

Mr. and Mrs. James Frazer attended a family dinner party Sunday in the home of Mr. and Mrs. Wilbur Francis near Manhattan.

Victor Blaha was awarded the grand champion trophy for his rabbit entry at the 4H Fair at Peotone last week.

Mr. and Mrs. Clarence Wilmington of Lockport were Saturday guests of Mrs. Beatrice Coe.

Mr. and Mrs. Russel Lauffer and family were guests Saturday night of Mr. and Mrs. Irvin Jensen.

Mr. and Mrs. Clayton Cleveland and family were entertained Sunday in the home of Mr. and Mrs. Robert Eaton at Elwood.

Mrs. Ruth Morrison and her grandchildren Patty, Dale and Dawn Morrison of Frankfort were guests Thursday afternoon of Mrs. Adella Sproat.

Miss Agnes Haley was a dinner guest Sunday of Mrs. Beatrice Coe.

Charles Elliott Sr. was honored at a family gathering in his home Wednesday in observance of his birthday anniversary. Guests were Mr. and Mrs. Charles Elliott Jr., and son of New Lenox, and Mrs. Charles Ingram and children Charles, Phillip and Alyce.

## LINCOLN ESTATES

Mrs. Emil Wille  
Frankfort 3161

Ronald Vaughn, 12 year old son of Mr. and Mrs. J. C. Vaughn entered Billing's Memorial hospital Tuesday. He underwent major surgery Thursday. At last reports he is improved.

Visitors in the home of Mr. and Mrs. Edward Guth last Wednesday evening were the former's sister, Mr. and Mrs. John Kus and family of Downers Grove.

Mr. and Mrs. Henry Carlson observed their 11th wedding anniversary by visiting friends.

Evelyn Jager, seven year old daughter of Mr. and Mrs. John Jager, of Crestwood, is spending a few days with her aunt and uncle, Mr. and Mrs. Emil Wille.

There are no grounds for divorce which are accepted in all 48 states.

Embezzlers have been found to have the highest intelligence of any class of criminals.

The first dirigible trip around the world was made by the Graf Zeppelin in 1929.

## Zoning Groups Differ Over Special Uses

(CNS) The county zoning board denies it's feuding with its "boss", the Cook county board of commissioners.

Suspicion that a fight is brewing between the two was raised by Harry F. Chaddick, director of the county's rezoning project.

In fact, Chaddick and the zoning board seem to have their own feud. It's over zoning amendments drawn up by Chaddick. The zoning board has scorned Chaddick's "special use" proposals, said they were not necessary, and urged their defeat.

Chaddick fired back with his own report, charged the zoning board's arguments were "irrelevant, ill advised and have little substance."

The zoning board was rubbed the wrong way when a bill was introduced in Springfield allowing county boards to assign rezoning cases to either a zoning board or a committee appointed by the county board. The bill was defeated after protests that the words "a committee" seemed to be aimed at putting the zoning board out of business.

Chaddick has denied this was the intention of the bill.

He defends his staff as "the best zoning experts in the United States" and told the commissioners:

"Shouldn't Penalize Public"

"I'm sorry to be suspicious that this is not merely a question of how to protect property in Cook county, but apparently something that is more deep rooted and happened before I got here. If there is something between the county board and the zoning board, the people should not be penalized. We're sincere to do a job and do it right. You are justified in passing this amendment."

Under Chaddick's proposals, 14 ways of making a living from a piece of land would be banned unless special permission was granted by the county after public hearings. The special use idea is to better control activities that many people don't want near their homes or business.

These include trailer camps, motels, drive in theaters, garbage dumps, junkyards, race tracks, glue factories, truck and bus terminals, tall radio and television towers and airports.

Robert Hunt, zoning board member, asserted the zoners

have "no controversy with Chaddick or the county board. We want to dispel any notions that we're not cooperating."

But he warned the special use system "is susceptible to abuse, political and otherwise. Special use converts zoning to a government of men, not a government of laws."

**Chaddick Defends Stand**

Hunt complained a property owner wouldn't know whether he has the right to do anything until he obtained a permit.

"True," said Hunt, "there are standards by which to determine this. But those submitted here are too vague for the property owner to determine whether he can put up one of these uses."

Hunt conceded the zoning board might not object if amendments would become permanent.

"It's our position the amendments are unnecessary until the comprehensive ordinance is passed. If these were not interim in nature, we might not object."

Chaddick is working on an overall zoning plan, too, and is expected to have it ready within two years.

"We must hold the line until the comprehensive ordinance can be completed," Chaddick said. For example, he referred to the suburban home owners' fight against uncontrolled establishment of trailer parks.

Chaddick said at least 50 trailer courts could be established tomorrow and no one could do a thing about it. These are on sites once rezoned as business and industrial districts and later left vacant. Trailer courts now are permitted in these zones.

## Keeps American Purses Flat Foreign Aid

The Taxpayers' Federation of Illinois today called attention to the relationship between federal taxes and grants for foreign aid. "At a time when Illinois has assumed an estimated tax receipt burden of \$5.8 billion for fiscal 1958 a comparison was thought valuable," Maurice W. Scott, federation executive secretary, commented.

For example, in 1956, Italy, Greece and Yugoslavia received \$145 million in aid, while individual income tax collections in Arizona amounted to \$146 million. In this same period, South Carolina collected \$185 million in individual income taxes, while Pakistan, India, Burma and Indonesia were

granted \$188 million in foreign aid.

In the last twelve years various foreign aid programs have totaled about \$62 billion (net estimate basis), including \$58 billion in postwar grants and credit transfers.

"Since every Illinois resident will have an estimated per capita federal tax load of \$619 in 1958, we feel responsible for pointing out expenditures of this kind."

The following poem seems appropriate" he added:

**AMERICA SPEAKS**

By H. I. Paillips

To meet both ends I seldom can  
(But I'm a help to Pakistan);  
It's hard to keep my shirt and pants  
(But after all I'm fond of France);  
I guess I'll have to break my lease  
(I must co-operate with Greece);  
Hedged in by debts quite vast I am  
(But I must not neglect Siam)

The wolf from door I can't repel  
(Still I must help keep Burma well);

By Tuesday I am out of dough  
(Malaya's feeling better, tho);  
My dollar very little buys  
(But Egypt's safer, I surmise);  
My own financial outlook's murky  
(But still my heart belongs to turkey).

I'm busted, flat, and feeling blue  
(But I'm a pal of Timbuktu);

We're adding breadcrumbs to our hash  
(Who cares? Ain't Tito short of

cash?);  
The sheriff's knocking on my door  
(However, England's asking more);  
I'm in a hole, but feeling noble  
I wish things were not quite so global!

## ORLAND PARK

Mrs. Sherman Knox  
Orland Park: Fieldbrook 9-0211

The Day circle of the Methodist WSCS will meet Thursday, Aug. 22 at 11 am. in Wesley hall. Bring a sandwich, coffee and dessert will be served at noon by hostess committee. Members are urged to attend as the group is preparing articles for the "Christmas Lane of Gifts" sale.

Laurel camp 1796 RNA will meet Thursday evening, Aug. 22 at 8 pm. in the home of Mrs. Ruth Geissinger. Nellie Nicolai and Olive Rust will assist at the social period.

A bridal shower was given Sunday, August 4 at the Legion hall in Oak Lawn in honor of Miss Louise Chiapetti, sister of Mike Chiapetti of Orland Park. Guests from Orland were: Mrs. William Nicolai, Mrs. Herman Nicolai, Mrs. Eldon Nicolai, Mrs. Melvin Doogan, Mrs. Mike Chiapetti and Mrs. Gustie Hallinan, also Mrs. John McIntosh of Palos and Mrs. Owen Nicolai of Chicago. The bride to be received many lovely and useful gifts.

Mr. and Mrs. Herman Uthe are being congratulated on the arrival of a great grandson, born August 6, weighing 8 lbs. He has been named Paul Charles. His parents are Mr. and Mrs. Robert Kohl of Oak Park. His maternal grandparents are Mr. and Mrs. Alvin Uthe of Chicago.

About 12 ladies of the cancer dressing group of Orland Park Woman's club met at Wesley hall, Wednesday morning, Aug. 7. Mrs. Robert Horn and Mrs. Harvey Cooper served coffee and dessert at the lunch period. Although the attendance has fallen short during the summer months, the work has progressed nicely. It is hoped that in the fall the attendance will increase.

Mr. and Mrs. Louis Arnold of Detroit, Mich., former residents of Orland Park, are being congratulated on the birth of a granddaughter, born July 24 in Detroit. The infant weighed 7 lbs. 3 oz. and has been named Sandra Dawn. Her parents are Louis and Roberta Arnold.

The Trail Riders, a group of teenagers from Orland Park, Palos Park and Tinley Park, will have a horse show, Sunday August 25 at Wolf road and Old Creek road, between 131st and

## Tinley Personals

Mr. and Mrs. Joseph B. McCarthy of New England ave., had as their guests last week her sister, Dr. and Mrs. A. A. Kraus. Dr. Kraus has been confined to St. Luke's hospital for the past month. The trip to the McCarthy home was his first visit since his recent illness. Their son Richard, and Mrs. McCarthy's mother, Mrs. M. E. Jeske, were visitors also.

A group of 21 Tinley Park ladies, members of the Moosher's Birthday club and their guests, drove to Midlothian where they enjoyed a lovely luncheon at Chuck Cavallini's August 7.

Mr. and Mrs. Bert Gestner, entertained Mr. and Mrs. Ronald McKenzie and infant son Ronald, Jr., from Chicago. Mrs. McKenzie just recently arrived in this country from West Frankfort, Germany. After a Bar-B-Q, served on the lawn, they visited interesting places in this vicinity.

Mrs. William Bingman, entertained her birthday club, recently when seven members were present. Coffee and cake were served later in the evening. A nice time was enjoyed by all.

Michael Goebel, Melody Benson, Marty Benson, and Earl Schaffer Jr. are attending the ALC Jr. Bible camp at Bloomington.

The high school class of Zion Lutheran Sunday school, went on a picnic and swimming party to Braidwood, Aug. 10. Later in the evening a wiener doast was enjoyed. They were accompanied by their teacher Robert Hessenberger, Mr. and Mrs. Mel Hopman and Mr. and Mrs. Walter Goebel.

The VFW Bremen Post 2791, held their annual picnic in Bettenhausen woods Sunday, August 4. All brought picnic lunches. Games were enjoyed during the afternoon.

Mr. and Mrs. Frank Miller of 17043 New England ave., had as their guests Wednesday evening, Aug. 7 Mr. and Mrs. Frank Wessel and children, Bill, Dan and Tom, of Riverside. Also Mr. and Mrs. Carl Aller of Columbus Ohio. A picnic supper was served on the lawn.

As August 6 was David Johnson's 10th birthday, he celebrated it by taking four of his friends, Robert Hesperen, Dennis Nicks, Keith Monson and Robert Tovey to lunch, and later to the White Sox ball game in Chicago. It was the first time any of the boys had seen a major league game.

## How to Catch An Elk Puzzles Foreign Officials

(CNS) How to capture elk in Busse forest in Elk Grove township still is puzzling forest preserve district officials.

The elk roam a 20 acre fenced pasture on Higgins road a half mile west of Arlington Heights road. The herd was obtained from Yellowstone National Park 23 years ago to remember pioneer days when elk overran this section of the country, but now the herd, consisting of 35 head, is getting too big for the limited pasture space.

Plans last March to thin out the group by slaughtering a dozen elk for feeding lions at Brookfield Zoo were dropped after more than 2,000 persons signed petitions pleading to spare the animals.

### Die of Fright

Charles G. Sauers, general superintendent of the forest preserve district says he would like to ship some of the herd to any zoo wanting them. This pre-

sents a big problem. It is almost impossible to trap an elk alive, Sauers says. The elk usually dies from fright.

There are such things on the market as anesthetic bullets which put their victims to sleep but Sauers is skeptical of this method.

"What quantity is needed to calm an elk without harm?" he asked. There has been no research on this except for some work done in Africa, and he

called this "too sketchy."

Sauers says he believes the animals shouldn't be kept in local forest areas. It is his position the elk belong at the Brookfield Zoo, owned by the forest preserve district and operated by the Chicago Zoological Society.

United States crude oil reserves last year increased to 30½-billion barrels, up 422-million from 1955, the American Petroleum Institute reports.

## NEW INSULATION—NEW SIDING IN ONE AMAZING NEW MATERIAL

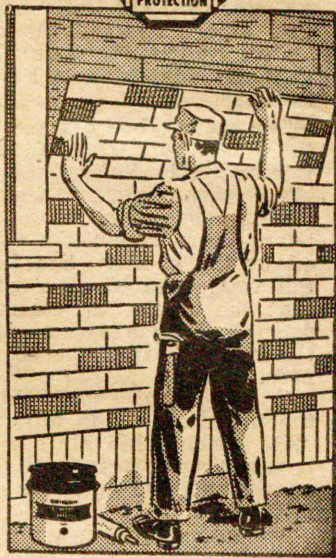

Think of it! You can now buy BOTH insulation and re-siding for very little more than the cost of either one.

The new FLINTKOTE Insulated Siding in brick or stone combines the best features of rigid insulation and asphalt brick type siding into one attractive, economical, serviceable product.

It works wonders... transforms homes into substantial, "brick" or "stone" residences... makes them more comfortable all year, saves fuel.

# Schools Issue Call For Grid Practice

## Lincoln-Way, Bremen, Sandburg Grid Players Start Practice Aug. 26

## Orland Babe Ruths To Play Peotone For League Championship

With August temperatures in the 90's it is difficult to concentrate on football, but area football players and candidates with high hopes of being on the squad will soon be reporting to local high schools to prepare for the gridiron season. With schools reopening in a few weeks, the fervor and spirit of students will be renewed for the home team.

Coaches will have the first opportunity to look over the hopefuls reporting for physical examinations. The following schools in the south suburban conference have set dates for football candidates.

**To Take Exams**  
At Carl Sandburg High school, physical exams will be given at 8 a.m. Wednesday, Aug. 21 and 8 a.m. on Saturday, Aug. 24. Practice equipment will also be issued at this time.

The first practice session will be Monday, Aug. 26, at 9 a.m.

All candidates must bring \$2 to cover insurance costs the day the physical examination is taken. This fee must be paid before equipment can be issued.

The first meeting of the Bremen High school squad and candidates will be held in the school at 7 p.m.

The Lincoln-Way High school squad will have its first practice session on Monday, Aug. 26.

### Park District Grid Program to Begin Sept. 3

Kickoff time is here for the largest junior football program in the county. The Chicago park district will open its 21st annual season for football schools at 12 park thruout the Chicago area Tuesday, Sept. 3. Over 3,000 youngsters took part in the 1956 program.

The schools are aimed to teach young boys the fundamentals of football and each school has a staff of experts, many of whom are volunteers from the park community who donate their free time.

At the close of the school in September each park participating in the program will select 22 of its outstanding boys to represent it in regular league play. The youngsters selected will also appear in exhibitions at all home games of the Chicago Bears and Cardinals. Any youngster who wishes may attend the school but to be eligible for the team a boy must be 12 or 13 years of age and weigh between 85 and 105 pounds.

Parks where the program will be held include: NORTH SIDE—Hamlin park, Wellington and Hoyne; Humboldt park, 1400 N. Sacramento; LaSollette park, 1333 N. Laramie; Oriole park, 5430 N. Olcott; Horner park, California and Montrose; and Portage park, 4100 N. Long.

SOUTH SIDE—Garfield park, 100 N. Central Park; Cornell Square, 51st and Wood; Harrison park, 1824 S. Wood; Palmer park, 111th and Indiana; West Pullman park, 123rd and Stewart and Washington park, 5601 S. South Parkway.

### Tinley Girls Team Loses to Joliet 9-6

The Tinley Park Girls' softball team were defeated by Joliet 9-6 last Thursday in a South Suburban Girls' Softball league game that was called at the end of the sixth inning because of darkness.

The Joliet team used only eight players, scoring 17 hits against Tinley's 13.

### Tinley Park Team Loses to Braves But Still Tops League

In a five-inning game last Thursday, the Little League Braves outplayed the Tinley Park team, beating their leading league opponent 5-0.

The Braves were faultless behind the 3-hit pitching of Alfred Roberts.

The Tinley Park team is well out in front in league standing, having won 15 games and lost three. The Braves, their closest opponent, has won 10 and lost 8.

Their encounter with the Braves was devastating. Pitcher, Howard Wille, who the previous week pitched the season's first no-hitter, was not in usual form. He struck out five batters and walked eight, six of them in succession in the fourth inning. He was relieved in the fifth inning by Jack Doll, who struck out three batters.

The Tinley Park team coached by Francis Meakum, beat the Cubs 10-9 last Sunday.

### Orland Women's Bowling League Is Reorganized

The former Orland Women's Bowling league has been re-organized and is now known as the Town and Country Women's Bowling league.

All those interested in bowling in the early league on Tuesday evening at 6:45 are urged to call KE 2-2955 or KE 2-2695 for further information.

The Orland Park Babe Ruth baseball team which has won the northern division title of the Tri-County league will meet peotone, winner of the southern division, in a three-game series for the league championship.

The series will begin tomorrow evening, Aug. 16, at Peotone. Game time is 5:30 o'clock.

The second game will be played Sunday afternoon at 5 o'clock on the Carl Sandburg high school diamond at Orland Park.

If the third game is necessary the time and place will be decided later.

Bill Zinn, manager of the baseball program at Orland Park this season as set up by Orland Youth Association, is speaking for his associates when he urges a large turnout of Orland fans for the championship series.

#### Hopes for Crowd

Zinn is hopeful that a large number of fans accompany the team to Peotone tomorrow night and that an even larger number will be on hand for the game at Orland Sunday.

The Tri-County league is divided into two divisions. The season is divided into two rounds of play. The team on top at the end of the first round is the winner of its division title. If it is on top at the end of the second round it automatically is the division champion. If another team wins the second round the division title is decided by a playoff between the two clubs.

The Orland Babe Ruth team won the first round of the northern division hands down and went on to cop the second round last week by defeating Mokena and New Lenox in a playoff.

Last Thursday Orland beat New Lenox, 5 to 2, and last Saturday blanked Mokena, 3 to 0. This gave Orland the division championship.

#### Must Win Two

Two victories over Peotone will bring the league championship to Orland Park and Zinn wants to see the biggest crowd of the year turn out for Sunday's game.

The Orland Park men who form the Orland Youth Association acted as hosts to all three of the village ball teams—Smallfry, Babe Ruth and Police league—at the double-header played last Sunday in Comiskey park between the White Sox and Detroit.

Seventy-nine made the trip and two buses were chartered to provide transportation. It was a long day but an eventful and pleasant one for the Orland contingent. No statistics were kept on the amount of pop, hotdogs, peanuts and other edibles consumed by the youngsters but the total was described as amazing.

The most likely reason for sweet clover in alfalfa fields is the hard seed of sweet clover that may stay in the soil for many years before it germinates.

## Tattersall Cops Feature Race at Joliet Stadium

Willie Wildhaber and Bob Tattersall will try to demonstrate why they are ranked 13th and 14th nationally when the mid-gut autos resume racing competition Saturday night at Joliet Memorial Stadium.

According to latest ratings of the National Association for Stock Car Auto Racing, NASCAR, Wildhaber of Lexington, Ill., is 13th nationally in the mid-gut auto division and Tattersall, of Streator, is 14th.

### 2 Former Champs Enter

Wildhaber and George Sellery of Chicago, both leading contenders for the track championship, were shut out last week, when Tattersall won his fifth feature race of the season. Both drivers were victim of mechanical trouble.

Among the drivers seeking first feature victories Saturday will be two former champions, Ken Rubright of Lyndon and Johnny Riva, Morton Grove.

### Trails at 7:30

Time trials will start at 7:30 p.m. and the first race at 8:30 p.m. There will be four heat races, a handicap event, 15 lap semifeature and 25 lap feature.

## Will Decide Pony Winner In Game Sunday

The Tinley Park Pony league is determining the league winner by a tournament which started last Monday, when the Trojans beat the Green Bees 7-3. The winning pitcher was Steve Grossman and the losing pitcher Steve Romanenghi.

On Tuesday, the Red Devils eked out a 7 to 6 victory over the Blue Angels, coached by Robert Jirka. The Blue Angels are leading the league play. The winning pitcher was Joe Kretan and the losing pitcher Jerry Romanenghi.

The Red Devils had eight hits to seven for the Blue Angels.

The two teams were evenly matched until the last two innings when two double plays spelled defeat for the Blue Angels.

The deciding game will be played Sunday.

### Tinley Personals

Mr. and Mrs. Elmer Knudsen, daughter Diane and her friend, Sharon Anast, spent 10 days at Lake du Flambeau, Wis., relaxing and fishing. The report having had a most enjoyable vacation.

Mr. and Mrs. Elmer Peterson of Sayre ave. celebrated their

25th wedding anniversary Aug. 11. Billy Rayson, son of Mr. and Mrs. Leland Rayson celebrated his sixth birthday Aug. 12. He was host at a lawn party for 14 friends. The usual birthday fun and fare were the order of the day. Ann, the 11 year old daughter of Mr. and Mrs. Leland Rayson flew to Mountainside, New Jersey for a visit with Mr. Rayson's aunt and uncle, the Rev. and Mrs. Delwin Rayson.

At the August 9 meeting of the Rich Bremen 4H club, talks were given by Harold Stuenkel, Richard Bohlman, Dale Twietmeyer, Gene Piepenbrink and Leslie Kohl. Final plans were made for the 11th Annual South Cook 4H Fair to be held this weekend at Chicago Heights. Refreshments were served by Robert Sedobrook.

Mr. and Mrs. John Swisher had as their house guests last week, her sister Mr. and Mrs. Arthur Hyde of London, Ont. Canada. The Swishers motored to London, taking their guests home and visited there for several days. While there they enjoyed many scenic places, es-

pecially the quaint, old city of St. Mary's. Mr. and Mrs. Harry Schmidt are the happy parents of a son born Aug. 1 in St. James hospital. John Wesley, as they have named him, was really a bouncing baby, weighing 9 lbs. 12 oz.

Judy Athena, daughter of the Rev. and Mrs. Dallas D. Mucci, was dedicated at the Sunday evening services at the Tinley Park Church of the Nazarene with Dr. C. B. Strang officiating. Both maternal and paternal great grandmothers were present as well as Judy's grand parents, Dr. and Mrs. Howard Hamlin of Chicago.

Bill McDaniels had the misfortune of breaking his ankle last Friday while at his place of employment. His many friends wish him a speedy recovery.

Mrs. Lowell Farquhar and daughters attended the wedding of her nephew, William Lowery at Crea Springs the past weekend.

Burley Anfield is a patient at Hines hospital. His mailing address is Room 445A, Hines hos-

pital, Maywood. Cards of cheer and encouragement would brighten his stay.

P. G. Bruckbauer, 6518 Parkside drive, is attending the Computer Theory course conducted by the Western Electric company under its graduate engineering training program at the Illinois Institute of Technology in Chicago. There are 19 other engineers chosen to attend this course.

A girl may be both ignorant and shapely, but she is never ignorant of the fact that she is shapely.

THE NEWS-BULLETIN  
Mokena, Illinois  
Thu. Aug. 15, 1957 Sec. 1 Pg. 9

It is really best to limit the freezing load to one-fifteenth of total freezing capacity, a University of Illinois home management specialist suggests.

Utility consumption of bituminous coal in 1956 rose more than 10 per cent to a record total of 155,013,000 tons, according to a compilation by Keystone Coal Buyers Manual.

TALK ABOUT **ECONOMY...**  
**FORDS COST LESS PER MILE!**

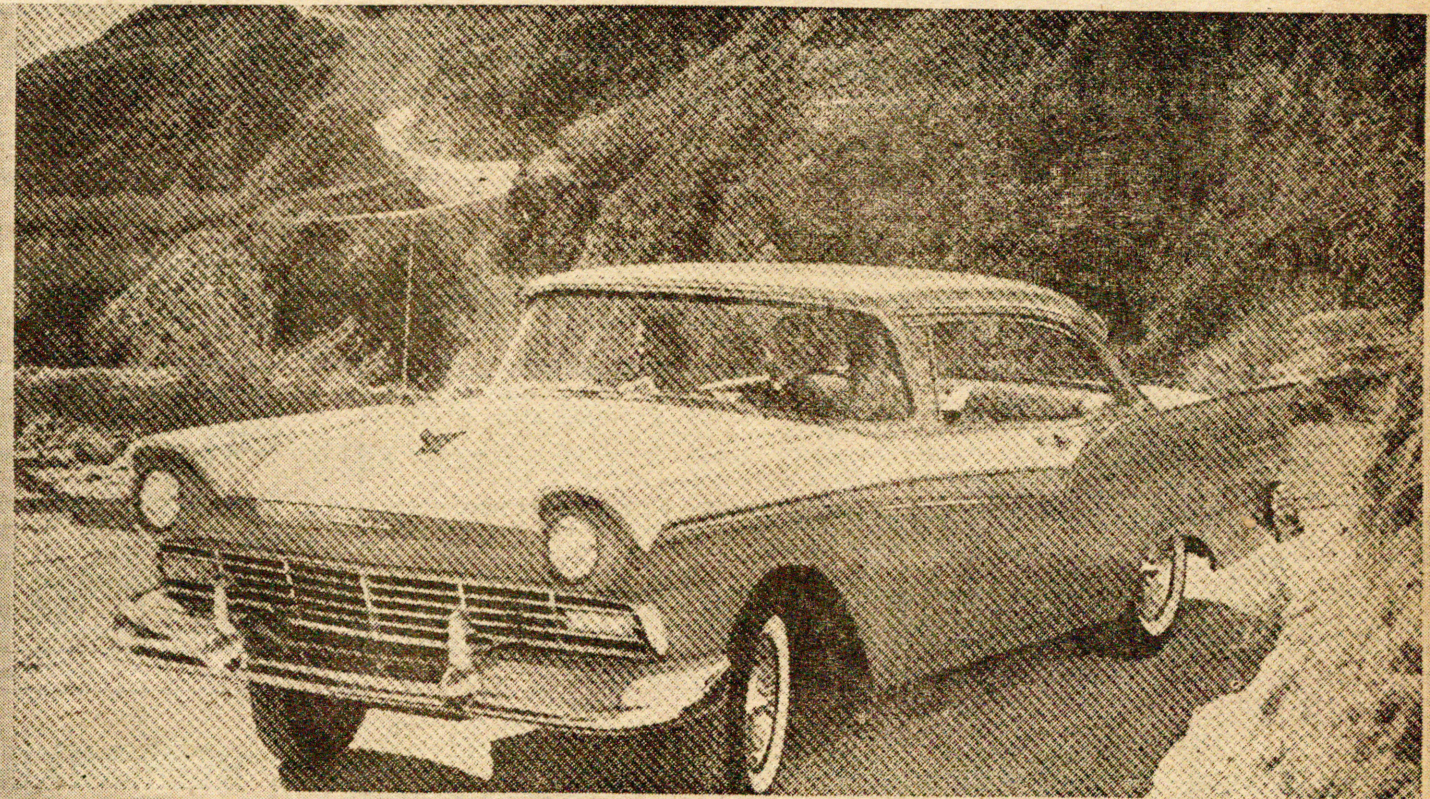

### Fords cost less to buy!

No doubt about it! Model for model, Ford cars are the lowest priced\* of the low-price three. And don't be fooled by those "low prices" now being quoted for some "stripped down" models in the medium-price field. Remember, a '57 Ford equipped the way most people want a car today - with automatic transmission, heater and radio - costs hundreds of dollars less than these medium-priced cars, similarly equipped.\*

\*Based on comparison of Manufacturers' suggested retail delivered prices.

### Fords cost less to run!

In the only nationally recognized test of gasoline economy, the 1957 Mobilgas Economy Run, a Ford Six delivered more miles per gallon than any other car entered! This remember, was no "private test" conducted for the benefit of a single manufacturer. This was grueling competition between 12 different makes of cars . . . supervised by the United States Auto Club. And when the test was over, Ford led all other cars in the thing you want most - actual miles per gallon!

### Fords cost less to trade!

Latest official auction sale figures on used cars show clearly that the new kind of Ford commands a higher price than either of its two low-priced competitors. The men who bid at these auctions are professional buyers - men whose very livelihood depends upon their expert knowledge of cars. They pay more for used Fords because they know that Fords hold up in value. Like thousands of Ford owners from coast to coast, they have discovered that Ford is worth more when you buy it . . . worth more when you sell it, too!

**WHEN WILL W W II END?**  
More and more people—in-  
cluding members of a consider-  
able number of state legisla-  
tures—are trying to find out  
when the emergency created by  
World War II can be expected  
to end.

This is because of the "war-  
time-only" excise taxes on trans-  
portation, which amount to  
three per cent on freight ship-  
ments and 10 per cent on pass-  
enger fares. They were design-  
ed to discourage unnecessary  
travel and shipping at a time  
when all the carriers were over-  
loaded with war traffic, as well  
as to raise war revenue. The  
war ended about 12 years ago.  
The taxes are still on the books.

So far, the legislatures of 14  
states have formally asked Con-  
gress to get rid of these taxes.  
It is pointed out that the taxes  
even discourage "seeing Ameri-  
ca first", in that they apply to  
travel within the United States  
but not to foreign countries.  
And they are a heavy burden  
on shippers—especially those  
whose products move a long  
way to market. For instance,  
the tax on a carload shipment  
of apples from Washington  
State to New York is 25.57 as  
against a tax of \$8.04 on a car-  
load going from Virginia to  
New York.

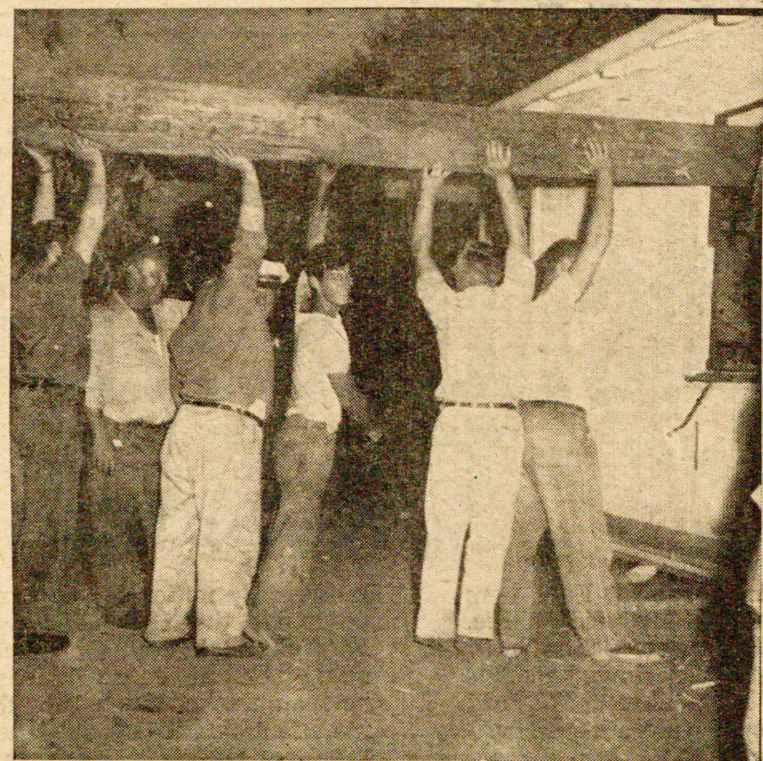

On many items, the taxes are  
multiplied time after time, in  
that they apply to shipments of  
raw materials as well as the  
final finished products. They  
are thus a strong inflationary  
influence, felt by all consumers,  
at a time when inflation is  
again a serious problem.

They are special, discrimina-  
tory taxes—not regular taxes.  
They are taxes on the users of  
the commercial transportation  
service—not on the services  
themselves. They are a kind of  
tax which is defensible only  
when the country must deal  
with a real emergency, such as  
war. When will Congress decide  
that the World War II emer-  
gency has at last ended?

**THE SADLAK BILL**  
Public response to the Sadlak  
bill (H. R. 6452) for reducing  
federal income taxes can be ac-  
curately described as overwel-  
mingly favorable.

This measure would cut the  
maximum income tax rate from  
its present 91 per cent to 42  
per cent over a five year per-  
iod. That period could be ex-  
tended to nine years if neces-  
sary to avoid unbalanced bud-  
gets and deficit financing. Taxes  
in all the income brackets  
would be reduced by substantial  
amounts, and none would be in-  
creased. The government would  
still get all the revenue it legiti-  
mately needs—because, accord-  
ing to Representative Sadlak's  
carefully documented computa-  
tions, increased tax revenue  
from expanding and stimulated  
employment and economic ac-  
tivity would more than offset  
the losses from rate reductions.  
Hundreds of organizations in  
every part of the nation—civic  
clubs, chambers of commerce,  
commercial groups, educational  
institutions, etc., etc.—have  
gone on record in favor of the  
Sadalak bill. The list grows  
steadily.

Mr. Sadlak himself has said  
that his proposal "is primarily  
designed to moderate the tax  
impact on individuals and on  
small and growing business,  
and to eliminate the tax bar-  
rier to starting new businesses."  
It is an obvious fact that pres-  
ent tax laws and rates work a  
greater hardship on the small  
business, with its limited as-  
sets, than on the long-establish-  
ed big business with its great  
assets. These laws, in other  
words, stand in the way of  
growth and success—and, there-  
fore, deprive government of in-

## Sue Builders, Village Because Of Flood Damage

(CNS) Four North Shore home  
owners, who scrubbed out their  
flooded basements after recent  
heavy rains, now have filed  
suit to collect damages from  
village officials and the build-  
er.

One owner is an attorney who  
filed for all of them, residents  
of Wilmette.

Atty. Bertram A. Stone con-  
tended in Circuit Court the vil-  
lage building code says homes  
should be so constructed to keep  
cellars and basements "free  
from ground or surface water."  
The suits charged:

1. The four homes were con-  
structed in the water table level  
because the builder failed to  
make proper soil tests to find  
this depth.

2. The builder failed to con-  
struct the homes in accordance  
with the village building code,  
designed to prevent flooding.

3. The village also is at fault  
because its officials inspected  
the homes while they were un-  
der construction to see that all  
regulations were followed.

Stone and two other home  
owners are seeking \$7,500 each,  
while the fourth wants \$12,500.  
This owner alleged his home is  
"in dangerous and hazardous  
condition and may collapse if  
subjected to further flood,  
ground or surface waters."

## Conoco Jobbers Get Lift From Whirlybird Crews

Sheldon Hauck of the New  
Lenox Gas and Oil Co. of New  
Lenox joined 31 other Chicago  
area jobbers of Continental Oil  
Co. and viewed Chicago's lake  
front at 1500 feet from the plush

creased tax revenue that would  
follow growth and success.

The next step is up to Con-  
gress.

Continental type cabins of S-58  
Helicopters, as Continental Oil  
Company launched its Whirly-  
bird TV promotion. Arrange-  
ments were made with Chicago  
Helicopter Airways, Inc., who  
have the only scheduled heli-  
copter service in the state of  
Illinois.

One group of jobbers boarded  
the helicopters at O'Hare Field  
on the northwest side of Chica-  
go, and another group at Mid-  
way airport on the south side of  
Chicago. The two flights landed  
at Meigs Field, which is a pen-  
insula jutting out into Lake  
Michigan directly in front of  
Chicago's loop.

They had lunch in the Tally  
Ho room of the Sheraton hotel.  
Among the speakers at the  
luncheon was Chester "Lum"  
Lauck, executive assistant of  
Continental Oil Co. Lauck is the  
"Lum" of "Lum and Abner," so  
popular for so many years on  
radio.

## Awarded Medal for Accomplishment at Culver Naval School

Midshipman Charles W. Otto,  
son of Dr. and Mrs. Claude W.  
Otto, of Frankfort, has been  
awarded the bronze Tuxis med-  
al by the Culver Summer Nav-  
al school, on the campus of Cul-  
ver Military Academy.

He is attending the 56th eight  
week session of the Culver sum-  
mer schools with boys from 37  
states, the District of Colum-  
bia, Puerto Rico, and five for-  
eign countries.

The bronze medal is awarded  
to midshipmen after they have  
demonstrated proficiency in five  
different phases of the Culver  
program. These accomplish-  
ments must be in individual  
and competitive athletics, mili-  
tary proficiency, seamanship,  
academics and social activities.

Mid. Otto is now eligible to  
begin work on his silver Tuxis  
medal which requires more ad-  
vanced accomplishments.

Trees and shrubs planted this  
spring will need to be watered  
throughout the summer. Be sure  
to soak the soil at least one  
foot deep.

**OOPS! IT SLIPPED**—And as  
a result traffic was hampered  
somewhat on Oak Park ave.,  
Tinley Park, for an hour and  
20 minutes last Thursday after-  
noon. Anyone looking at the  
picture would say, "Why, that  
looks like a garage with a truck  
inside," and they would be right.  
It is a garage and there is a  
truck inside. The building be-  
longs to the Tinley Park elemen-  
tary school and was at the rear  
of the property the board pur-  
chased to enlarge the building  
on 67th court. Needing a garage  
to house a tractor and other tools  
the board decided to have it  
moved to the Bert Fulton school  
grounds. Some timbers were  
placed crisscross in a truck and  
the garage jacked up to ride  
them. Everything went slowly  
but smoothly until two blocks  
from the destination. At 171st  
street the pessimistic prophecy  
of Police Chief Harold Moore—  
"If those timbers break it will  
be on Oak Park ave."—was ful-  
filled. And there the darned  
thing sat—with cars squeezing  
by on one side—until new and  
stouter timbers (see picture at  
left) could be poked into place,  
the garage jacked up again and  
go creaking on its way. The rest  
of the trip was without incident.  
(Marvin Smith photo)

The use of aircraft in direct  
support of ground units by the  
Marine Corps was employed for  
the first time in combat July  
16, 1927, when a flight of six  
bombing planes strafed and  
bombed a force of 500 bandits  
who unsuccessfully attacked a  
small Marine garrison at Ocotla,  
Nicaregua.

## The Picture Of Health

By Robert A. Arens, M.D.  
**DIABETES**

Diabetes is a disorder in the  
body's sugar-burning capacity. It  
can be linked with several causes  
including heredity. The sugar  
which the liver normally sends  
into the blood to be burnt for  
energy is present in excessive  
quantities. This may throw the  
level of other chemicals in the  
blood out of balance, such as the  
fatty factors producing hardening  
of the blood vessels. It also creates  
a sugary medium in the tissues  
in which infections thrive. And it  
may put a strain on the kidneys  
which must eliminate the excess  
blood sugar in the urine.

Diabetes has been known for  
centuries; 160 years ago an Eng-  
lish surgeon handled a diabetic  
case successfully by restricting  
breads, beer and sweets. In mild  
cases it is still controlled by diet  
today. But the most important  
discovery to those having the con-  
dition, who were once doomed to  
a downhill course, was that of  
insulin in 1921. It is named for  
the "islets" in the pancreas which  
produce this hormone.

Insulin is the body's natural  
substance for using blood sugar.  
Most persons with diabetes ad-  
minister insulin to themselves in  
the exact amount needed at a reg-  
ular time each day. All must regu-  
late their carbohydrate (starch  
and sugar) intake to the doctor's  
instructions, eating the same num-  
ber and kind of calories at the  
same hours each day.

Research continues in an effort  
to aid the diabetic. New drugs  
related to sulfa compounds are  
being tried. By suppressing the  
sugar levels in the blood they  
make it unnecessary for some pa-  
tients (particularly the heavy,  
sweet-loving, diabetic over 40) to  
take further insulin. They are  
still too new to reveal their long  
range potential.

Diabetes can be found at any  
age. Before it can be treated, of  
course, it must be diagnosed.  
Early symptoms are heavy thirst,  
frequent urination. Later they  
progress to uncommon hunger,  
weakness, loss of weight, and  
eventually to coma. Either of the  
first symptoms should be reported  
to your doctor.

# FARM NEWS

For  
Cook County  
by  
W. F.  
Whiteside

assistant farm adviser

The 4H Fair opens Friday, August 16 at Chicago Heights, 1/4 mile south of Bloom High school, on Dixie Highway. Volunteer leaders and 4H members have been working for weeks to put on the best show possible. Mr. Floyd Adair, president of the Fair Association and the rest of the board members have devoted considerable time to planning and staging the fair.

I am sure all this effort will be appreciated by 4H'ers exhibiting at the fair. I hope every one within driving distance will try to visit the fair at least one day. You will enjoy it and every 4H'er will be pleased as punch to have you look over their project work.

By attending the fair, you will be lending support to this fine youth organization.

Marilyn and Bill Lorenz of Chicago Heights took part in the state 4H vegetable judging contest. Bill received an "A" rating and Marilyn received a "B" rating. Two very creditable scores. More than 800 boys and girls from all over the state took part in the contest.

Joe Mulderink, Blue Island, represented Cook county at State Junior Leadership Camp the last week in July. He was elected to the camp continuation committee and will help plan the program for next year. It is an honor to attend Junior Leadership camp. Four highly qualified 4H'ers from each county are selected to attend. It is also an honor to be elected to the Continuation Committee. Joe can be very proud of these achievements.

The annual summary of Illinois Dairy Herd Improvement Associations shows four herds in Cook county averaging over 400 pounds of fat last year. They are Walter Lauffer, Tinley Park, 474 pounds; Henkeview farm, Tinley Park, 429 pounds; Arthur Henke and Son, Tinley Park, 413 pounds; and William Bernard and Sons, Mokena, 411 pounds.

Testing is one of the most fundamental and essential programs in any herd. It indicates that dairymen want to know rather than guess what the cows are doing at the pail. However, it is not enough merely to test. It is what is done with this information. It should guide feeding practices, determine profit makers and profit takers; in other words, take the guesswork out of production.

August and September is usually the best time to construct and seed grass waterways. The job requires fertile land, proper shaping of channel, and heavy seeding to produce a dense, tough sod.

Limestone use increased slightly in Illinois in 1956, but much more is needed. On sour land lime is usually the most profitable soil treatment. Get ready now for fall and winter applications.

The sixth annual Dairy Day will be held at the University of Illinois College of Agriculture Thursday, Sept. 5. Reports will feature the latest research in dairying and suggestions for

practical dairy farm management. The program will start at 9:00 a.m. DST with a tour of the dairy barns.

## Row Over Saloon License Is Still Issue in Court

(CNS) Circuit Judge Harry M. Fisher has denied a motion to dismiss a \$50,000 damage suit against the village of Lemont. It was filed by Mavis Feiertag, owner of The Glass Front, 233 Main st., Lemont, who charged village officials conspired to hurt her tavern business by refusing to issue or renew a liquor license for the place on May 1, 1955.

Village officials have answered that she wasn't entitled to a renewal because another party operated the tavern when the old license expired April 30, 1955.

They told the court a village ordinance in effect at the time limited the number of tavern licenses to 10 although 13 were outstanding. It was village policy not to issue anymore, they said.

E. R. Borgmeier, a Washington, D. C. lawyer, and John McMahon Murphy, a Chicago attorney, are representing her. Counsel for the village is Richard J. Fitzgerald.

The case is pending without a hearing date set.

## Illinois Peach Crop is Short

A short Illinois peach crop has begun moving to markets. Earlier varieties such as Redhaven, Golden Jubilee, Halehaven and a number of minor early varieties have been harvested in Southern Illinois and the Elberta variety which makes up better than two thirds of the total volume began moving

from Southern Illinois this week. Peaches will be harvested thruout the state until early September.

Growers and others of the peach industry expect the peach crop to be about 1/4 to 1/2 of a normal crop or approximately 300,000 to 400,000 bushels to move in commercial channels.

Growers are expecting better than average prices because of the short crop. Peach price is normally dictated by the supply and the quality of the fruit on the markets. The Illinois US No. 1 packs are expected to be of good quality and of excellent fruit size. Many growers are using hydrocooling, a process whereby the fruit is immersed in an icewater bath for 15-20 minutes to rapidly decrease the temperature of the peach. By using this process, peaches can be harvested at a more mature stage and will carry to the markets with less bruising and softening in transit.

The period of Aug. 1-10 has been designated as "Illinois Peach Week" with many peach promotion activities being carried on by the Illinois Fruit Council during that period to inform the public of the peach harvest and the delicious healthful qualities of the peach.

## Senate Aide Hits Court for Pro-Red Rulings

The Communist Party in the United States "is not the debating society that the supreme court portrays it to be," according to Robert Morris, chief counsel to the Senate Internal Security Subcommittee.

The supreme court decisions on communists will seriously hamper the work of the congressional investigating committees, said Mr. Morris, interviewed by Paul Manning, on the ABC radio network, "It's Your Business!" sponsored by the National Association of Manufacturers.

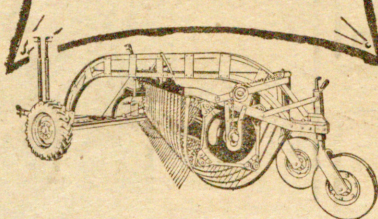

Mr. Morris pointed out that if it were not for the work of the congressional committees, with their power of subpoena and the power to publish the facts without fear of libel we would be "virtually ignorant of the details of the communist conspiracy."

### Morale Effect

"Of course," he said, "the supreme court decisions will have

## For CAREFUL BUYERS

### NEW IDEA SIDE RAKE & TEDDER

- ★ Drive wheels equipped with 15" rims, or sure-traction 5.90-15 tires.

the effect of circumscribing greatly the work of the congressional committees. This is going to have a crushing effect on morale, generally, not only of the people working on security, but the nation. Now, it's going to be very difficult for us to get witnesses to testify to the details of the communist conspiracy."

Asked what he planned to do, in the face of the court decisions limiting the investigating power of the committees, Mr. Morris said:

"I think the only course ahead lies for the Internal Security subcommittee to continue to make a record to show that the communist party in the United States is not the debating society that the supreme court portrays it to be."

He noted that communists have certain periods when they "take a respite in their aggressiveness."

### Red Power Extended

"With respect to internal security and infiltration right now I feel that this is such a period," he explained. "This is the

THE NEWS-BULLETIN  
Mokena, Illinois  
Thu. Aug. 15, 1957 Sec. 1 Pg. 11

period assigned to them where they're going to level all existing barriers before they make their next move. And that is the period we're going thru, and that's why most of us are heart sick when we have to sit back and watch all our barriers being destroyed by the power of the supreme court.

"Now this communist party in the United States is an extension of Soviet power, and I think the more that the Internal Security subcommittee shows that, the more it brings that fact into the consciousness of the United States senate and the House of Representatives and the legislation that results from these disclosures comes into the main stream of American life."

To prevent larval worms from increasing on pasture, keep a 1 to 10 mixture of phenothiazine and salt before sheep at all times.

## THIS WEEK

### -In Washington

With  
**CLINTON DAVIDSON**

Washington is faced this week with what may be the most momentous and far-reaching decision it has made in a very long time—what to do about nuclear weapons.

The question is whether to sign an agreement with Russia to limit or outlaw the use of A-bombs and H-bombs as weapons of war?

Washington instructions to our negotiators at the London arms limitation conference can supply the U.S. answer. Russia obviously, wants the bombs outlawed, but on her own terms.

Our objective is to reduce and eventually eliminate the threat of war.

The big question is whether the outlawing of nuclear weapons would diminish or increase the threat.

There can be no question but that public opinion throughout the world strongly opposes the use of the most terribly destructive weapon man has yet devised. That fact is on Russia's side.

The primary concern of is the safeguarding of the United States and the rest of the Free World from aggression by force from the communist countries.

With nuclear weapons the West holds the power to deter aggression in any part of the world. No nation, it is reasoned, would deliberately provoke a war that would have the terrible consequences of nuclear destruction.

The decision at London then must be whether to refuse to ban atomic weapons and hand Russia an important propaganda victory, or agree and then undertake to build up conventional forces superior to those of the communist nations.

To ban atomic weapons might increase rather than diminish the threat of war. Military officials argue that the communists, with their big standing armies, would have a terrific advantage if only conventional weapons were used.

Obviously, President Eisenhower has most to do with this and other major decisions of national security. Most people believe that next to the President, those who play the most important roles in national defense policies, are the Secretaries of State, Defense, Air, Army and Navy—but they are wrong. Of equal importance to Secretaries John Foster Dulles and Charles Wilson, and of greater importance than the Secretaries of Air, Army and Navy are, Senator Richard B. Russell, chairman of the Armed Services Committee of the Senate, and chairman Carl Vinson of the Armed

## Builder Wants to Know If He Can "Show" New Homes on Sundays

(CNS) A South Holland home builder is waiting for something "more clear cut" in the courts look upon the village's Sunday closing law.

Circuit Judge Harry M. Fisher has held the blue law invalid as it applies to three businessmen who operate a restaurant, a motel and a gas station in the village. South Holland has appealed the ruling and the matter is pending before the Illinois Appellate court.

The other suit challenging the ordinance was filed by the AM Sunrise Construction company. This case has reached the

pleading stage and will be placed on the fall calendar of circuit court for trial.

The construction company seeks to force the village to allow prospective home buyers to inspect model houses on Sunday.

The company's attorney, Paul O'Flaherty, said it has been waiting "a little bit to see how the other case makes out. We may wait some more for something more clear cut."

Judge Fisher in the other case held that the operation of the plaintiffs' restaurant, motel and gas station on Sunday was a public necessity.

Services Committee of the House.

Unlike the Secretaries, these two men have been elected by "the people" to plan and supervise national defense policies. They have a combined record of 68 years of outstanding service in Congress, 25 for Senator Russell and 43 for Rep. Vinson. Both served on the Naval Affairs Committees, Vinson as Chairman, before heading the Armed Services Committees when they were formed in 1947.

The wisdom of their counsel and the great extent of their influence in shaping defense policies is well known in Washington but due to their personal modesty, is not adequately recognized outside.

Wolf: A man who believes in Life, Liberty and the Happiness of Pursuit.

By making a few simple changes in the way they prepare air-dropped mines, Navy crews can now be sure 95% per blow up enemy ships. The new procedures were developed by the scientists at the Naval Ordnance Laboratory, Md.

The clam, crab, snail and worm all have blue blood.

**AVENUE APPAREL**

TINLEY PARK, ILL.

An angry man is Sylvester T. Bly,

Who today was sold a piece of "blue sky."

He'd stepped in a showroom—out of the rain,

Was sold a new car before he could explain!

How he hated the styling—so high and square

And in new features it was really bare.

"I got a real bargain—the buy of my life—

But how do I ever convince my own wife?"

**Moral: You're paying for a new car...make sure you get one!**

When you buy a new car, put your money on tomorrow—not yesterday.

Swept-Wing Dodge actually *obsoletes* other cars in its field. Should you invest

in high, boxy styling when Dodge offers the low, low look of tomorrow? Should

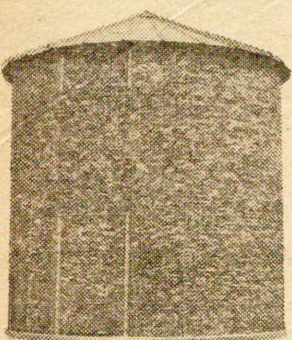

you invest in outmoded coil springs when Dodge offers new Torsion-Aire Ride?

Should you invest in an old-fashioned lever-type transmission when Dodge

offers the ease of Push-Button Driving? In other things, too—engines, brakes,

interiors—Dodge is years ahead. So put your money on tomorrow. See your

Dodge dealer. Join the swing to the Swept-Wing Dodge!

## Card of Thanks

William Keuch Sr. and family. Our recent bereavement in the death of our wife and mother, leaves us with grateful hearts towards our neighbors, relatives, and friends. And to the Rev. Randolph Hahn, the Rev. Mr. Norman, soloist and Mrs. Melvin Rensink organist. Also to all who sent cards, flowers and memorial gifts. Your helpfulness and comforting expressions of sympathy, will always be remembered.

**WILLIAM KEUCH SR. and FAMILY**  
Tinley

We wish to express our heartfelt gratitude to the Tinley Park inhalator squad and police for their prompt response to our call last Thursday when our son John was taken ill. Their efficiency and kindness are deeply appreciated.

**MR. and MRS. MARCUS KLEPPER,**  
Tinley

We extend our heartfelt thanks and appreciation to our friends, neighbors and relatives for their many acts of kindness shown us at the time of the death of our beloved mother; also for the floral offerings, cards and to the Rev. A. Lach and the soloist and organist for their comforting service. Your thoughtfulness and comforting expressions will always be remembered.

**THE FAMILY OF MRS. EMMA BRAASCH**  
Orland

My sincere thanks to all my friends and neighbors for the cards and letters sent to me while I was in St. Francis hospital, Blue Island; and especially to Sandburg high school for the lovely flowers.

**ERNEST JORDAN,** Orland Park

**VACATION IS DRAWING TO A CLOSE**—and the youngsters who have been having fun at the Mokena park the past eight weeks realize it now for tomorrow the supervised recreation program comes to an end. Of course, the kids can still use the park but Miss Marilyn Boleman, who has been in charge of the program, will no longer be there. She was hired for eight weeks and the time is up tomorrow. Anyway she needs a little vacation herself before returning to her studies at Western university at Macomb, Ill., where she will be a sophomore. She is majoring in physical education so her

work this summer has been good experience.

The park this year was equipped with swings and teeter-totters, thanks to the Mokena Lions club, which make a bit hit with the small fry.

Miss Boleman had a great variety of games for her young charges, ranging from bean bag tossing to league ball, and including such sports as volleyball, badminton, croquet, and whiffle ball, in which the bat is about the size of a broomstick and the ball is a light plastic affair which not only curves but wobbles. The daily average attendance this season was 30 plus which is reported as greater than it was last year. (Marvin Smith photo)

## Legal Notice

Notice is hereby given that a public hearing will be held on Tues., September 3, 1957 at 8:00 p.m., in the Village Hall, Tinley Park, Illinois, on a petition for a variation of the Zoning Ordinance of the Village of Tinley Park.

The property sought to be affected by this petition is identifiable as follows:

Lot 2 in John M. Rauhoff's Subdivision, part of the Southwest Quarter (SW 1/4) except West 50 ft., So. 120 ft., Section 30, Township 36 North, Range 13, East of the 3rd P. M., in Cook County, Illinois, commonly known as 6872 West 173rd Place Tinley Park.

All persons interested should attend and will be given an opportunity to be heard.

**EDDIE the EDUCATOR**  
says

Wise curriculum choices may mean the difference between a dead end street and the road to success. Competent guidance and counselling counts.

Illinois Education Association

"Whose bread I eat, his song I sing," comes to us today as a warning proverb from the England of long ago when men were fighting for their freedom.

## Tinley Park Fall Festival

The Tinley Park annual fall festival, will be held in Memorial park, Aug. 30 thru Sept. 2.

The entertainment will be as follows:

Friday night, Aug. 30—

The Garetto Twins.

Saturday night, Aug. 31—

The crowning of the king and queen of Tinley Park. Wrestling show.

Sunday afternoon, Sept. 1—

The Arkansas Woodchopper, and the Mounted Square Dancers.

Sunday night, Sept. 1—

The Arkansas Woodchopper, also Edwin Baron, hypnotist

Monday afternoon, Sept. 2—

The parade at 2 pm.

Immediately following the parade, there will be a dedication of an all purpose court in Tinley Park. This court was constructed especially for the benefit of all youth groups in Tinley Park and also for the adults

Monday night:

Four piece band; festival will

be concluded with a fire works display.

Prizes will be given away daily.

To help keep milk production high during the summer, give cows plenty of water. An average cow will drink 15 gallons a day!

Fewer weeds mean that corn is easier to cultivate and doesn't have so much competition for water and nutrients.

## Mokena VFW Sponsors Teen Hobby Club

A teen hobby club will be sponsored by William Martin post, No. 725, VFW Mokena, providing sufficient interest is shown for activity such as this. Membership will be open to both teen-age boys and girls who are interested either in taking up a hobby or continuing with one they already have.

According to the commander of the post, C. A. Zugenbuehler, the decision to sponsor a hobby club was agreed upon by the members after some hobby-minded teen-agers asked the VFW post to help them form a club. It is not the intention of the post to govern the club, instead, they plan to provide supervision and sponsorship, with the governing of the club given to the club members and the officers they select after the club is formed.

Part of the sponsorship by the post will be to hold publicly attended contests or meets periodically at which time awards will be given to those exhibiting the best models or hobbies.

Wilbur Shalk, a hobby-minded member of the post, has agreed to aid in the formation of the club and later help in the supervision of the club. All teen-age boys and girls interested in joining the club are requested to contact him at Mokena 5160. The success in forming a hobby club will depend entirely on the response received.

### LIONS CALL:-

(Continued from Page 1)

property owners will have just that much less money to pay.

If by any chance the village does not proceed with the sewer program at this time, it was explained, it would lose the \$69,000 grant and the chances of getting it approved a second time are said to be small.

New Lenox had planned to build a water and sewer system but the cost for the entire project was in excess of \$2,000,000 and was prohibitive. As a result New Lenox is now considering just a sewer system.

There is a lot of rock excavation necessary at New Lenox and engineers estimate that the cost of the sewer system there, together with a sewage treatment plant, will cost \$896,000.

In Mokena the estimated minimum cost for sewer and water after the sewer project is completed will be about \$6.90 a month.

## Whitney Carter Suffers Stroke

Whitney Carter, Rock Island agent at Mokena, suffered a paralytic stroke Saturday evening. He was stricken about 6 p. m. while sitting on the porch of the Arthur Kuehl home, 4 East Second st. where he rooms.

When he realized what happened he got into his car and drove it a block to the office of Dr. E. G. McMahon. There it was seen that the stroke affected his right side from his waist up. His son Whitney Jr., of Blue Island came and took him to the Englewood hospital, where his doctor believes he will recover and be able to return to his duties at the railroad station.

In his absence, Jack Treat of Blue Island, will have charge of the station until such a time that Mr. Carter is able to return to his work.

### TWO DIE:-

(Continued from Page 1)

traveling north at high speed is believed to have passed a car coming up the hill south on Alpine road and when it zoomed over the crest is said to have been traveling in the south-bound lane.

The car driven by Nutt was southbound and was also reported proceeding at a fast pace. The two cars met head-on at the intersection.

Both cars were towed to the Louis Cooper garage at Orland Park.

## Silver Cross to Hold Commencement Program Aug. 21

Silver Cross School of Nursing, Joliet, announced this week that commencement for the 1957 graduating class would be held at Pershing school on Wednesday evening, August 21, Dr. W. A. Meadows, former chief of staff, will deliver the commencement address, his subject "Frontiers of Nursing". Diplomas will be presented to 25 seniors.

Baccalaureate services will be held at 4 o'clock Sunday afternoon, August 18, at Central Presbyterian church, Rev. James G. Franz, pastor. Seniors and their parents will be entertained at a buffet supper following the services.

## Fine Six Drivers In Mokena Court

Of the six drivers fined in Mokena court last Thursday by Justice of the Peace August Werner, only one was a local resident.

Rita M. Olson, 22, of 89 McGovney, Mokena, was fined \$3 and \$2 costs for parking on the wrong side of the street.

For a similar offense, Frank B. Duffy, 28, of Harvey, received the same fine.

Four out of town motorists were fined for disobeying a stop sign. Penalties for two of them were \$4 and \$3 costs; the remaining two were fined \$5 and \$3 costs. All the offenders were arrested by Mokena Police Chief James Smetana.

## 200 Reservations Available for Homer Church Supper

A cafeteria supper will be held in the Homer church at 5:30 p. m. Thursday, Aug. 22.

There are 200 tickets available for the supper. To be sure of reservations if you wish to attend, please call Mrs. Charles Jensen or Mr. Roy Parker.

## Tips for Buying Denim Garments

Denim details will be helpful if you plan to buy jeans or sportswear in celebration of national denim week, Aug. 19 thru Aug. 24.

Textile maintenance authorities at American Institute of Laundering, the national research and educational center for the professional laundry industry, list a few facts that should help make a denim purchase delightful rather than disappointing.

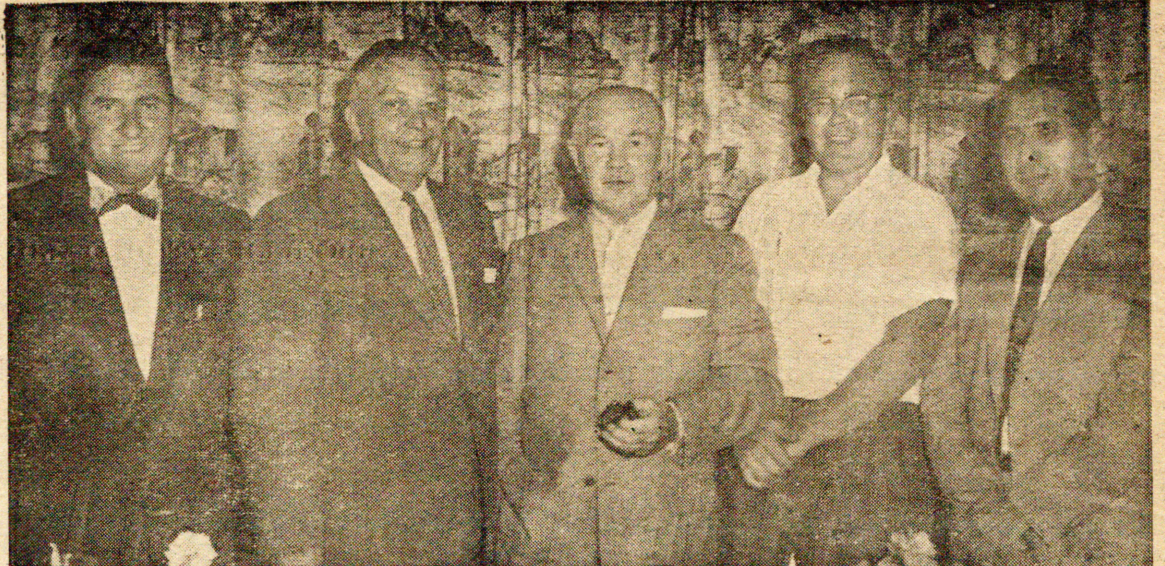

After finding the garment in the style, weight and color that satisfies you, A.I.L. experts advise that you study the labels and hang-tags. That information should give clues on shrinkage, colorfastness and size. If the garment has been treated to prevent shrinkage, you can expect less than 2% shrinkage, which normally is not critical. If the denim garment had not been treated for shrinkage, you can expect about 5% shrinkage.

**Sizes Clue to Quality**  
Check the fasteners. Look at the seams, snaps, buttons, rivets and zippers. As a general rule, zippers, snaps and buttons that are not stamped with a name or emblem represent low cost fasteners that may not produce satisfactory service.

Another clue to the quality of the garment is how sizes run. Manufacturers who take the trouble to produce various sizes in an effort to fit different shape bodies, usually have also made sure that the quality of the garment is good. For example, if the denim garment is available in short, medium and tall cuts in the same sizes, you can be fairly certain that the garment represents quality workmanship and will retain its fit.

In utility denims, rivets at stress points, double stitching at seams, double or vulcanized knee areas are construction factors that make for long wear.

Highly styled denim garments usually are colorfast and will not bleed. However, A.I.L. specialists advise housewives that many denims are not colorfast. Therefore, it is advisable to expect some bleeding and normal precautions should be taken.

**UP TO THEIR KNEES**—in sewerage problems the men pictured are most involved in the planning, study, financing and installation of lateral sewers in Tinley Park. The picture was taken at the Tinley Park Chamber of Commerce meeting last Monday. From left to right is Oswald Tattum, trustee and Walter Fierke, superintendent of Tinley public schools,

both of whom addressed Chamber members on the sewer project. Harry Trevarthen, executive secretary of the Chamber of Commerce, who conducted the meeting in the absence of Stanley Mageira, president; Elmer Knudsen, Mayor, and Village Engineer, Martin L. Roth. Roth also spoke. (Marvin Smith photo)

## Mailman Rescues Small Boy From New Lenox Rooftop

Leslie Gullickson, delivering mail last Monday, the first day of mail delivery in New Lenox, expected to walk many miles, but did not expect to climb ladders.

On his route at Cooper and Poplar Lane he spied a two-year old boy perched on the roof of a house under construction. Gullickson climbed a ladder and brought him down from the high perch.

The boy is the son of Mr. and Mrs. Roland Cagwin of Gum st. He got away while his mother was occupied for a few moments and mounted to the roof of the building by crawling up a ladder on the outside.

## Bruised When Hit By Backing Auto

Joyce Rouleau, 2½, daughter of Mr. and Mrs. George Rouleau 320 E. Carpenter st., Mokena suffered bruises when a car backing out of a driveway knocked her off a tricycle.

Driver of the car was Mrs. Robert Homering, 353 E. Carpenter. Joyce was treated at the office of Dr. P. T. Demus.

## Will County Fair To Open Aug. 23

The 54th annual Will County Fair will open Thursday night Aug. 23.

Fair grounds and buildings have been improved. There is a new commercial exhibit building, housing a huge auditorium. Fair books have been available since last week and secretary Fred Meyer states his new office on the grounds is now open until Aug. 17 from 1 to 9 p. m.

Attractions are bigger and better than ever. A few of the outstanding ones are the Cavalcade of Canadian Hell Drivers and the Flying Farmers who will start arriving at the Rathje Airport at 8 a. m. Sunday.

The carnival will be on the newly arranged Midway and the Peotone Sportsmen's club will again operate all concessions on the grounds.

## Blame Vandals for Forest Preserve Fire

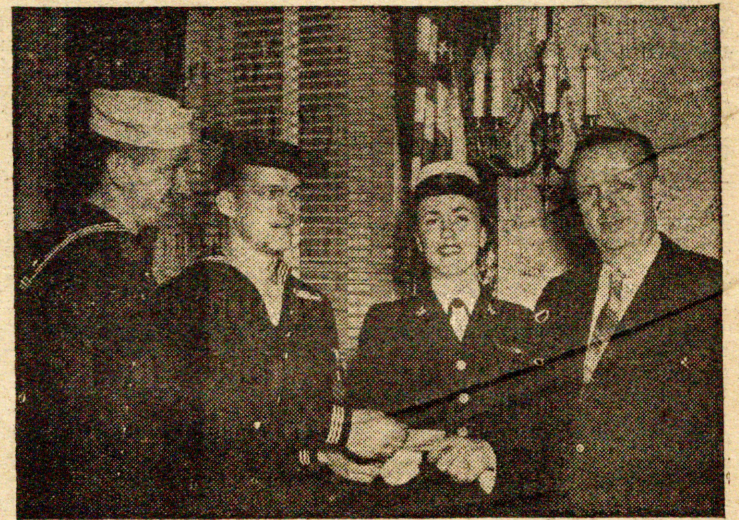

Fire believed to have been set by vandals, totally destroyed the 48 by 60 foot shelter house in Messenger woods last week. Damage is estimated at \$7,000. Ralph Ingersoll, the custodian, discovered the damage.

### LINCOLN-WAY BUDGET:-

(Continued from Page 1)

to about the same as last year, Supt. Chapman said.

So if the district receives around \$10,000 from the state and realizes \$6,000 thru the new transportation tax the amount that will have to be taken from the educational fund for transportation will be reduced from around \$7,500 to about \$1,500.

**OLD AND NEW NAVY** presents an invitation to the Great Lakes Navy Homecoming to Governor William G. Stratton. They represent fifty years of Navy history. The governor is asked to June 1 weekend activities during "Salute to Illinois" week, May 27 - June 2. The present day uniform is worn by George T. Hilt, engineman first class; the 1907 version by Roman R. Lubinski, machinist's mate first class, and the modern woman in today's Navy is Joan Hanson, Wave yeoman third class. (Official U. S. Navy Photo)

## Taffy Touch to Ice Cream

Akin to caramel and butterscotch flavors is taffy. And right from the pantry shelf, from your jar of unsulphured molasses, you have a ready-to-use taffy flavored syrup to use for summer ice cream desserts.

Unsulphured molasses is a natural sweetener since it is the concentrated juice of sugar cane. The purity and mellowness of this molasses make it an excellent topping for ice cream sundaes. And the taffy flavor accent goes equally well with vanilla, chocolate, coffee or nut ice creams.

### Taffy Sundae

Pour unsulphured molasses from the jar over a serving of vanilla, chocolate, or coffee ice cream. Serve plain, with chopped or whole nuts, or with shredded coconut.

### Tropical Ice Cream Float

2 tablespoons unsulphured molasses milk 1 scoop (¼ pint) vanilla, chocolate, or coffee ice cream

Put unsulphured molasses in 12-ounce glass; fill half full with milk. Add ice cream; stir vigorously. Fill to top with milk. YIELD: 1 serving.

## Business and Finance

### MAURICE P. ANGLAND

It may be of interest to investors to pass on a list of common stocks which are suggested by Standard & Poor Investment Service. The stocks are suggested as having potential price appreciation and are broken down into price brackets.

The suggestions for those under \$40 per share are: Bank of America, California Electric Power, Central & South West Corp., Columbia Broadcasting System, Columbia Gas System, Cosden Petroleum, Electric Storage Battery, General Public Utilities, Harbison Walker Refractories, Illinois Power, Lehigh Portland Cement, The Martin Co., Mission Development Co., Mississippi River Fuel, Monterey Oil, National Distillers (this company now about 35 per cent chemical), New England Electric System, Northrop Aircraft, Oklahoma Natural Gas, Seaboard Air Line R. R., Shell Transport & Trading, Southwestern Public Service, Tidewater Oil Co., Washington Water Power.

In the \$40 to \$50 bracket, the suggestions are: American Can, American Cyanamid, Babcock & Wilcox, Bethlehem Steel, Borg Warner, Consumers Power, Fire Association of Philadelphia, General Motors, General Refractories, Manufacturers Trust Co. (N. Y.), Northern Pacific R. R., Ohio Oil Co., Otis Elevator, Phillips Petroleum, Pure Oil Co. and Southern Natural Gas.

#### Oils Popular

In the \$51 to \$75 bracket: Boron Co., Carpenter Steel, Cities Service, Clark Equipment, Dana Corporation, Douglas Aircraft, Filtronic Corp., Florida Power, General Electric, W. R. Gace & Co., Guaranty Trust Co., Illinois Central R.R., Mesta Machine, Mission Corp., Owens Illinois Glass, Parke Davis & Co., Royal Dutch Petroleum, Skelly Oil, Socony Mobil Oil, Standard Oil of California, Standard Oil of Indiana, Standard Oil of N. J., Standard Oil (Ohio), Texas company, United Aircraft Co., and Warner Lambert Pharmaceutical.

In the \$76 to \$100 bracket: Libby Owens Ford Glass, Pittston Co., and Shell Oil.

In the over \$100 bracket: Hanna (M. A.) Co., Hartford Fire Ins., International Business Machines, National Lead, and Sherwin Williams Co.

McGraw Hill Publishing Co. makes periodic business surveys which are highly regarded. A new survey by this firm on "Business Plans for New Plants and Equipment" suggests that scientific research results may change some of our previously accepted economic concepts calling for an expanding and contracting business cycle.

#### Research Big Factor

This latest survey points out one new factor, which, more than any other, is changing the nature of the investment process. This is the record outlay planned by U. S. Corporations

for scientific research and development—to create new products and develop new industrial processes. The survey points out that research expenditures prior to World War II amounted to less than a billion dollars a year and that in the last six years, expenditures have been more than the previous 180 years.

The survey further points out that industry will spend \$7 billion on research and development in 1957 and that by 1960 it will be not less than \$9 billion yearly—enough to create a new major industry. By 1960 manufacturing industry expects sales to be up 26 per cent with not less than half of the increase in products not now on the market.

"As long as we can create new products that will offer value to consumers or cut costs to manufacturing firms, business will continue at a high level—not a fever pitch, perhaps, and it is hoped not at an inflationary pitch. But based on a steady stream of new products and processes, we can have a high level of general prosperity that defies the old laws of boom and bust."

### Laguna Woods

Mrs. Robert Anderson  
Fieldbrook 9-2857

Mr. and Mrs. William Murphy and son Bill have returned from a week's auto trip thru the Smoky mountains.

Charles Harris returned from camp Saturday after having been away for two weeks.

Mr. and Mrs. Gordon Bendix, Jim, Jean, Judy and Nancy spent last week in Minnesota at a cottage on the lake.

Laguna residents extend their sympathy to Mrs. R. Leeland whose mother, Mrs. Ott, passed away last week.

Mark and Norman Hegyi, as members of the Orland Park Little League, spent Sunday afternoon at the White Sox double header game.

The Andersons surprise ill.

lies have burst into bloom. They are an unusual flower as the leaves appear first and then die and for a month there is no sign of plant life. Then the stalk shoots out of the ground and suddenly an orchid, pink flower opens. There are three or four flowers on each stalk.

The Hegyi family have given their dog Lady, to her original owner Mr. Hegyi's brother, who found after giving her away that he missed her more than he thought he would.

Mr. and Mrs. Aiello have given their children a small puppy. Variety? Curb stone sitter, and a mighty cute one.

Mr. and Mrs. Jack Nelson were hosts at a Hawaiian Luau, held on their patio Saturday night. Guests arrived in costume and danced to Hawaiian music and partook of Island food. Mrs. Holly of Chicago arrived in a Mau-Mau (a Mother Hubbard type dress). The women wore authentic grass skirts and home made ones, as well as many sarongs. Their husbands, not to be outdone, wore gay sport shirts and Bermuda shorts some even wore Lap-Laps or short skirts over their shorts. Kerosene patio lamps stuck in the ground gave the impression of the Islands as did the floating candles in the small pool

set among the flowers in the raised gardens. Many guests arrived bare foot as is the Island custom. Movies were taken of the Hawaiian dancing girls. Everyone had a wonderful time.

### Highlights Of Farm Life

It is quite a shock to return from Cornell university, where I spent a cool and comfortable three weeks, to the 90 degree temperature we have experienced this past week. However, this high temperature has dried up most of the excess water which fell July 19.

The parched, barren areas in farmerse' fields still furnish grim evidence of the devastating flood.

Owen Maue and I combined the Oat Variety plot. Most of the oats were down as were the majority of oats in this area. Yields and other data haven't been calculated as yet; however, there were considerable dif-

THE NEWS-BULLETIN  
Mokena, Illinois

|                                                                                                 | \$44,420.00         | \$40,170.00                                           | \$4,250.00               |

SECTION II. That any unexpended balance of any item of any appropriation made by this Ordinance may be expended in making any insufficiency in any other item of appropriation made by this Ordinance.

SECTION III. Items appropriated for labor and materials for the repair of streets as designated above are not to be raised from taxation by levy but such appropriations will be paid in whole or in part indirectly through taxation from the allocation of the road and bridge fund tax levied by Frankfort Township, Will County, Illinois.

SECTION IV. It is further appropriated from any monies received from the State of Illinois from motor fuel tax the sum of Three thousand Dollars (\$3,000.00) for the construction, improvement and repair of State Highways within the corporate limits of this village and for the installation of traffic safety signals and devices therein, said items to be described under any appropriate title or title which may be designated by the State Highway Department of the State of Illinois.

SECTION V. That all Ordinances or parts of Ordinances conflicting with any of the provisions of this Ordinance be and the same

are hereby repealed.

SECTION VI. This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

Passed this 6th day of August, A. D. 1957 by the affirmative vote of all of the members of the Village Board of Trustees of the Village of Mokena, Will County, Illinois.

ALVIN S. SORENSEN

Village Clerk

Approved this 6th day of August, A. D. 1957.

JAMES MARTI,  
Village President

## GREEN GARDEN

Mrs. Katharine Heisner  
Frankfort 5187

The WSCS of the Methodist church was held Wednesday afternoon in the church parlors. Dessert coffee was served at 1:30 pm. Hostesses were Mrs. Harold Ullrich, Mrs. Clarence Johnson and Mrs. Harry Bettenhausen. The business meeting was conducted by Mrs. Alfred Krapf. Mrs. Edwin Dralle, Mrs. Lewis Rab and Mrs. Earl Bettenhausen presented the program.

Mr. and Mrs. Albert Steinberg Elda Schmuhl and Oscar Arnold of Joliet enjoyed an outing at the Kankakee river Sunday afternoon.

Mrs. Leslie Koenig entertained at a stork shower last Thursday evening in her home in honor of Mrs. Robert Simpson of Frankfort. Bingo was the evening's pastime and later a buffet luncheon was served. Guests were Mesdames Robert Klier, Wilbert Klier, Francis Sinnott, Milton Subbert, Ernest Mersch, Clyde Reils, Fred Mager, John Schilling, Howard Bell, Henry Kuse, Lee Heusner Alfred Mager, Norbert Brockman and Miss Myrtle Klier.

The Women's Circle of the Good Shepherd Lutheran church met at the home of Mrs. Leslie Koenig last Tuesday afternoon beginning with dessert coffee at 1:15. Mrs. Wilbert Klier presided and the Rev. Adolph Ullrich gave the devotion. The next meeting will be at the home of Mrs. O. J. Novotz.

## Mokena Council, Girl Scouts, Elects Staff

New officers for the Mokena Neighborhood council of Girl Scouts were voted into office for the year beginning September 1957.

Mrs. Arthur Omland will take the office of neighborhood chairman. Mrs. Harold Behen will act as assistant chairman. Mrs. Louis Badten will continue as secretary, and Mrs. Albert Janer will take over the office of official Girl Scout reporter and handle all publicity.

Mrs. Omland succeeds Mrs. Rudolph Engelhardt as chairman and Mrs. Behen succeeds Mrs. Clare Berg as co-chairman. These offices may be held not longer than two consecutive years.

### 144 Girls Registered

There are now 144 girls registered as scouts in the Mokena community and nine troops. The number of girls in the program has increased by over sixty per cent the last two years and three new troops have been added in that time.

One of the new troops, Senior Scout Troop 42, was organized last year with Mrs. Clare Berg of Marley as counselors and Miss Joyce Cummons as assistant. This troop has been interested in water sports and would like to form a marine troop but has been unable to find an adult, properly qualified as a life saver, to help in the program. Mrs. James Horras will act as leader this coming year. A new Brownie troop was organized last year at St. Mary's school and one at the Public school.

Mrs. Fred Lehmann, the late Mrs. Dean Reuckert, and Mrs. George Reid all former neighborhood chairmen in recent years, are among those who have helped develop a fine scouting program in the Mokena area. Special tribute also

was given Mrs. Hugo Niethammer for having served as leader of troops, as nurse, and qualified troop camp leader. Her willingness to give her time and skills has made it possible for many Mokena girls to enjoy valuable camp experience, under expert guidance, it was pointed out.

## Aids Midlothian In Warning Citizens Of Health Measure

Startled citizens in Midlothian were aroused by police and fire sirens at 5:30 a.m. Wednesday of last week and warned to boil all water for a 48-hour period.

Tinley Park police chief, Harold C. Moore, and fire chief, Edmund Moss, aided the Midlothian police and fire departments in sounding the warning via public address equipment. Other neighboring departments who came to the aid of Midlothian were Oak Lawn and Evergreen Park.

President Henry J. Milan, of Midlothian, advised the precaution of boiling water because

Thursday night, August 15 at 7:30, the children, parents and friends of the Episcopal church school are invited to see three movies in the church basement. The movies are "At Home in Nazareth," "Eskimo Children," and "Navajo Children."

Mr. and Mrs. James McCure and son Billy, Clark Bellows, and Mr. and Mrs. Albert Bettenhausen and son Jerry spent Monday and Tuesday at the Springfield State Fair. They also visited at Santa Claus, Ind., before returning home.

Clark Bellows of Brooklyn, N. Y. is visiting here for several weeks with his aunt and uncle, Mr. and Mrs. James McCure and family.

Guests last week of Mr. and Mrs. Gaylord Mangun were, her cousins, Mrs. Mable Johnson and Mrs. Laura Flemming of Marshalltown, Ia., Mr. and Mrs. Arthur Burrichter of Wheatland, Ia., and her brother Glen Allen of Chicago. They came to attend the funeral of Mrs. Mangun's and Mr. Allen's brother, Bruce Allen, who passed away suddenly in Silver Cross hospital in Joliet. Services were held Thursday.

Mr. and Mrs. Robert Clark and sons Alan and Larry of Janesville, Wis., spent the weekend here with their aunt and uncle Mr. and Mrs. Gaylord Mangun.

The fall meeting of the New Lenox Womans Bowling league will be held Wednesday night, August 21 at 7:30 pm. in the Lions den. All regular bowlers, or anyone interested in getting into the league are invited to attend this meeting.

Plans for their annual ice cream social were made at the recent meeting of the Womans Guild, held Thursday night in the home of Mrs. Michael Orey in Lincolnwood. Mrs. Ruby Gougar was the assisting hostess. Routine reports were made and the date for the annual social was set for Sunday, Sept. 8 starting at 5 pm., in the church dining room. The guild wishes to thank all the business men and the people who assisted in making the recent carnival the success that it was.

Approximately 75 members attended the annual VFW picnic Sunday in the VFW park west of New Lenox. Pot luck dinner was served at 1 o'clock. The afternoon was spent in playing various games. Prizes were awarded for races, and balloon contests. Carl Meitsner and Robert Paulson won the egg throwing contest. Several badminton games and a baseball game were in progress thruout the afternoon, after which supper was served to the group. Richard McCarthy was chairman in charge of the picnic, and was assisted by Edward Archer and John Vincent.

Miss Margaret Campbell is vacationing this week with relatives on Big Sand Lake near Webster, Wis.

Errol and Bill Estes have returned from a two weeks vacation spent at Brownville Junction, Maine with their parents Mr. and Mrs. Errol Estes, Sr.

There will be a Pack meeting of Cub Scout pack 8 Aug. 22 in the VFW park west of New Lenox. Boys will receive their badges at a special ceremony in the park.

The New Lenox Garden club met Aug. 1 at 1:30 in the home of Mrs. George Morrison with Mrs. Lloyd Berlin and Mrs. James Hope assisting. The program on various table settings was given by Mrs. Walter Houchin with floral arrangements. Miss Cheryl Sass, who represented the club at the school of conservation at Springfield, gave an interesting report on her trip.

Mrs. Beverly Seivert and children Stephen, Lee, Daniel and Susan, and Miss Mildred Schroeder vacationed last week at the home of their brother, Mr. and Mrs. Beldon Schroeder and family in Arkdale, Wis.

The Warning family reunion will be held Sunday, August 18 at the Mokena side of Van Horn woods, with potluck dinner at 12:30 noon. All attending are asked to bring their own table service and a covered dish. All relatives and close friends are invited to attend.

Mr. and Mrs. Steve McGovney and daughter Mary Ellen have returned from a vacation spent at Deep Lake Resort, at Minong, Wis. While there Mrs. McGovney won the weekly prize for the largest fish, a 4 lb. 2 oz. small mouth bass.

## Grant Park Concert Season To Close Aug. 18

The 1957 Chicago park district summer concerts in Grant Park will draw to a close with the final week of concerts to be presented Friday, Saturday and Sunday, Aug. 16, 17, and 18.

Julius Rudel, distinguished director of the New York City Opera Company, will direct the concerts performed by the Grant Park Symphony Orchestra.

The Friday, Aug. 16, concert opens with Overture to "Rienzi" by Wagner, and continues with Bizet's L'Arlesienne Suites 1 and 2, and La Valse by Ravel; Leonid Hambro will be featured in Ceasar Franck's Variations Symphoniques and D'Indy's Symphony on a French Mountain Air.

The park district's season of music under the stars comes to a gala climax with the final concert Saturday and Sunday, Aug. 17 and 18. This will be a concert performance of the popular Verdi opera, "Rigoletto". Stars of the nation's major opera companies, Beverly Sills, Rudolf Petrak, Cornell MacNiel,

and Joshua Hecht will sing the rolls of Gilda, the Duke, Rigoletto and Monterone, respectively.

### Concerts are free

Four outstanding Chicagoland vocalists will take part. Rosemary Anoe, Harvey, mezzo-soprano, who has appeared in opera and concerts as well as on radio and television programs, will sing the role of Maddalena and supporting roles. Miles Nekolny, baritone, will portray the role of Marullo; Mr. Nekolny has sung with the Chicago Lyric Opera, with the New York City Opera Company in Chicago performances, and has been heard in oratorios, concerts and as soloist with symphony orchestras.

Charles Rich, tenor, Chicago, will be heard in the role of Count Ceprano. He has sung previously at Grant Park in operatic roles and has appeared in musical comedy in Highland Park, Milwaukee and St. Charles. In addition to many opera and oratorio engagements, he has sung with symphony orchestras and in a variety of choral appearances.

Lawrence Gray, bass, Chicago, will sing the role of Count Ceprano. At Grant Park he has taken part in a number of operas in concert form; he has starred in musical comedy on Broadway and with national companies. He has been soloist with symphony orchestras, and has appeared in concert and opera broadcast by the Canadian Broadcasting Company.

Grant Park concerts are presented free by the Chicago park district. The concerts begin promptly at 8 p.m. This season

### CHRISTIAN SCIENCE CHURCHES

Scientific healing -- healing  
through the power of God, Soul  
-- will be a topic dealt with at  
Christian Science services Sun-  
day, August 18.

Matthew's account of Christ  
Jesus' healing of the two blind  
men (9:27-31) will be included  
in the readings from the King  
James Version of the Bible. The  
subject of the Lesson-Sermon  
is "Soul".

From "Science and Health  
with Key to the Scriptures" by  
Mary Baker Eddy the following  
will be read (210:11-16):  
"Knowing that Soul and its at-  
tributes were forever manifes-  
ted through man, the Master  
healed the sick, gave sight to  
the blind, hearing to the deaf,  
feet to the lame, thus bringing  
to light the scientific action of  
the divine Mind on human  
minds and bodies and giving  
a better understanding of Soul  
and salvation."

## Sport Stars Speak About God; Express Faith

(Paulist Feature Service)  
Carl Erskin, ace pitcher,  
Brooklyn Dodgers:

"When I was a small boy I  
suddenly realized I could throw  
a baseball harder than most of  
my buddies. I didn't earn some-  
thing that made me stand out.  
It was just there, all mine, for  
me to develop and use.

"The same story is true in  
everyone; in varying degrees,  
perhaps, but nevertheless we all  
possess qualities that are our  
own to develop and use. Why,  
then, shouldn't we realize that  
these talents are God-given and  
go a step further by believing  
they should be God-directed?"

"Taking these things for  
granted is a very common mis-  
take among most of us. We are  
usually so wrapped up in work-  
ing toward a goal for ourselves  
that we aren't really conscious  
of the things that are our great-  
est assets. We take for granted  
what natural talents we have.

**Deeply thankful**  
"But these natural abilities  
have been given to us for a  
purpose. They are to help us to  
everlasting happiness with God  
in heaven. If they do not, then  
they aren't being properly used  
and appreciated.

"We should all be thankful  
for our lives and our abilities  
...and more than just casually  
thankful. Being prayerfully  
thankful is a good start. Recogn-  
izing our responsibility to  
those we influence is another  
step in the right direction. But  
the genuine move is to profess  
a complete faith in Christ, and  
to let our lives be directed by  
His teachings.

"When we come to the reali-  
zation that He is the Way, the  
Truth, and the Life, we are  
leading our lives in the right  
direction and can know that our  
God-given talents are also God-  
directed. We should always  
pray for the inward strength to  
be entirely committed to God's  
way of life."

**God is everything**  
Doak Walker, all por half-  
back, Detroit Lions:

"My parents made it clear to  
me that sports were not the

most important thing in life.

God had top spot in our family.  
"We said the blessing before  
every meal and prayed together  
over problems of the day, for  
our family and friends, and for  
world peace.

"I have never been ashamed  
of my complete faith in God."  
Bill Glass, All American,  
Baylor:

"The air we breathe, the food  
we eat, the bodies in which we  
live were all created by God. I  
am glad beyond words that this  
great God can live in my heart  
and give me a goal greater than  
at the end of any football field  
-- eternal life thru Jesus Christ.

"More thrilling than a win-  
ning field goal in the final  
seconds of a game is the fact  
that all people everywhere can  
know Him in this 'life-changing  
way."

## Lincoln Play On Next Week At New Salem

The twelfth annual produc-  
tion of "Abe Lincoln in Illi-  
nois" will be presented by the  
Abe Lincoln Players, Inc. at  
New Salem State Park August  
21, 22, 23, 24 and 25 and again  
the following weekend, August  
29, 30 and 31st and Sept. 1st.

During the past eleven years  
that this show has been given,  
it is estimated that more than  
300,000 people have seen this  
famous stage play. Unlike  
many other Lincoln produc-  
tions, this is not a pageant, but  
is the original Broadway play  
as written by Robert E. Sher-  
wood and has eleven fast mov-  
ing scenes packed full of action  
drama and humor. The show is  
presented on three large stages  
specially built at New Salem  
State Park, in an outdoor thea-  
tre with a seating capacity of  
3,500. Specially built ampli-  
fiers carry every spoken word to  
all corners of the theatre.

The Abe Lincoln Players, Inc.  
which produces this show, is a  
not for profit corporation, and  
the members of this organiza-  
tion donate their time and ef-  
forts to this annual project.  
The cast has remained almost  
intact thruout the past eleven  
years, so that the present pro-  
duction surpasses many pro-  
fessional shows. G. William  
Horsley, State Representative,  
will again portray Abraham  
Lincoln as he has since the  
play was first produced at New  
Salem.

Prices are nominal.  
Although no reserved seats  
are sold as such, mail reserva-  
tions will be accepted and  
groups of seats will be reserv-  
ed for parties coming long dis-  
tances. Reservations may be  
made by mail addressed to  
Abe Lincoln Players, Inc., 816  
Myers bldg., Springfield, Ill.

## Farm Highlights

The 4H fair will be held Aug.  
16, 17, 18 near Chicago Heights.  
It offers an opportunity for them  
to show the public the results  
of a year of effort with their  
projects. There is a spirit of  
friendly competition between  
members.

Everyone is invited to visit  
the fair. It is free. The 4H  
family is striving to present the  
best in exhibits and entertain-  
ment.

By attending the fair you will  
be giving support to an excel-  
lent program for rural young  
folks.

... remember the words of the  
Lord Jesus, how He said, It is  
more blessed to give than to  
receive. -- (The Acts 20, 35.)

It takes most of us at least  
half a lifetime to appreciate,  
through our own personal ex-  
perience, the truth of the  
words of the Master. But  
what a blessed, full and use-  
ful life would result if we  
accepted His words in our  
youth, and lived the long  
years by them!

## FRANKFORT

Mrs. Katharine Heisner  
Frankfort 5187

Mr. and Mrs. Laverne Miller and family of DeKalb and Mrs. Hulda Moor of Bowling Green, Ohio were guests of Miss Florence Hollstein Sunday afternoon. Mrs. Moor remained as an overnite guest and returned to her home Monday. She called on other relatives and friends while here.

Mrs. Emma Kostner of Dayton, Ohio and Mrs. Kate Brosnahan of Chatsworth, have returned to their homes after spending the past week with their niece, Mr. and Mrs. Earl Dieken and family.

## Easy on "Wonder" Drugs, Poultry Raisers Warned

Although antibiotics and other drugs have proved beneficial in treating some poultry diseases, they are not "good for everything" and therefore must not be used indiscriminately. A study at the University of Illinois college of veterinary medicine showed that some drugs had harmful effects when fed to apparently healthy chicks.

Three drugs were used in the experiment—arsonic acid, sulfaquinoxaline and nitrophenol. Dr. Reber said that sulfaquinoxaline was safe in the tests because it did not produce harmful effects on the chicks. On the other hand chicks fed nitrophenol failed to gain body weight normally and had small spleens, liver and leg bones. Chicks fed arsonic acid increased their body weight but at the same time had more than the normal amount of fat in the liver.

## Pictorial Views Of The News

**BEGIN HOME DELIVERY**—of mail at New Lenox. Until Aug. 12 residents of New Lenox have had to go to the postoffice to get their mail. Since that date the mail has come to them. The picture here was taken on Monday morning, Aug. 12, at the New Lenox postoffice just as the two carriers started out with their first delivery. At the left is Charles Peters, Chicago, assistant district manager, Region I, who is what is known as a "route set-up man," and next to him is the New Lenox postmaster, Lester E. Brown, shaking hands with Leslie Gullick-

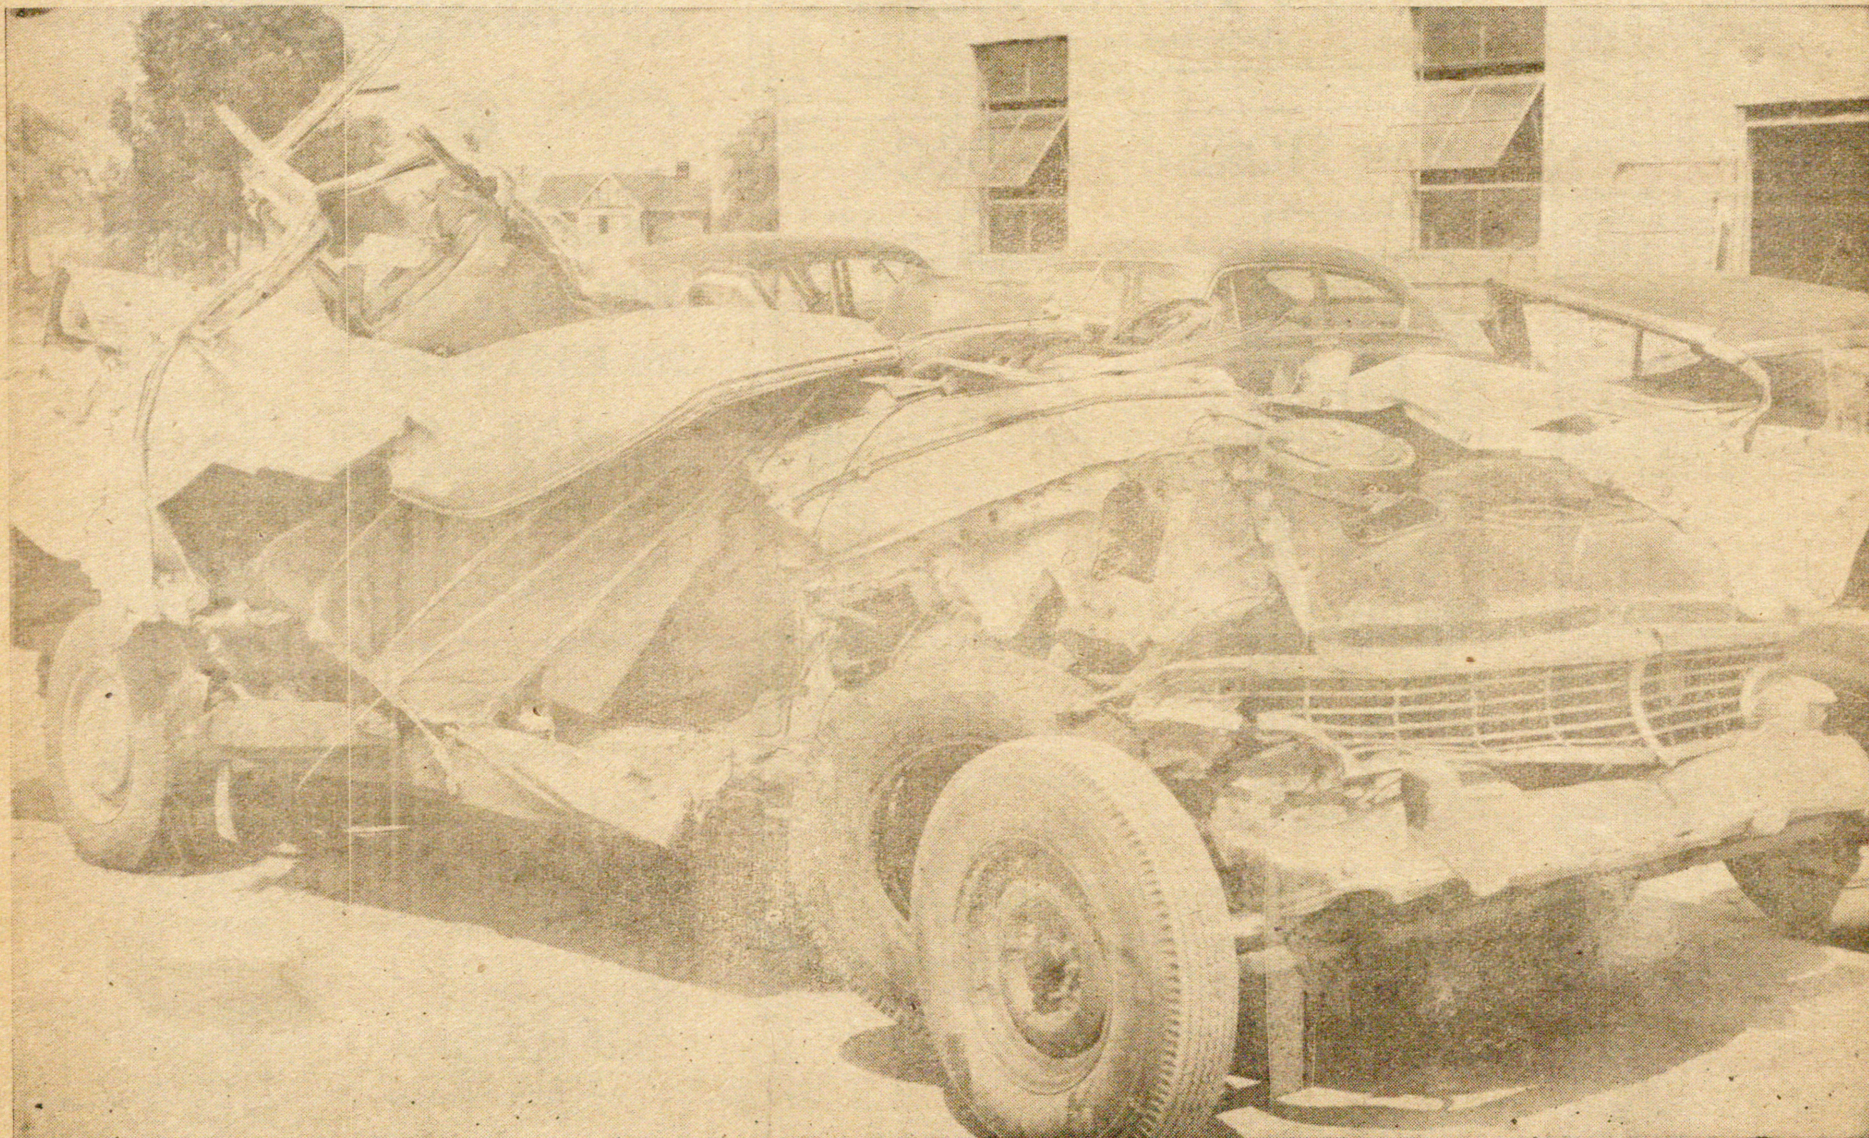

son, who will travel his route by foot. At the right is Edward Dau, the mounted carrier. There are 750 homes in New Lenox to which mail will be delivered. In addition to this 250 are served on a rural route and 100 get their mail in boxes at the postoffice. Postmaster Brown said 75 per cent of the homes now have street numbers in place and he urges householders who have not put up numbers to do so immediately. Houses must also have mailboxes or receptacles of some sort for mail if they are to get delivery. (Marvin Smith photo)

**COME! COME! A LITTLE SERVICE, PLEASE**—at least that is what these hosses appear to be saying to whoever it is at the counter inside The Treet, a refreshment stand on Wolf road at Mokena. There's candy, such as horses like, and a couple of licks of ice cream doesn't go bad on a hot day either. The first horse is Rosebud, a 3-year-old, who is hiding her master, Tommy Saxton, 13. Rosebud also is doing a good job of hiding Trigger, the 13-year-old calico cayuse of Larry Newton, 9. Hosses and owners reside at Mokena. (Marvin Smith photo)

**GERANIUM—KING SIZE**—This plant, with more than 30 blooms besides numerous buds, is a pleasing eyeful to be seen at the home of Mr. and Mrs. Walter Mager, 17234 Sixty-ninth ave., Tinley Park. Incidentally, this plant is a red geranium. Both Mr. and Mrs. Mager put in quite a few of their leisure hours in growing flowers. (Marvin Smith photo)

**TWO DIED—ONE IN THIS CAR**—as a result of a head-on collision between two automobiles on Wednesday night of last week, Aug. 7, on U.S. 45 at 167th st. The car shown here was driven by William J. Grogan, 53, of Hinsdale. He was instantly killed but a passenger in his car escaped with cuts and bruises altho undergoing severe shock. Grogan, according to the state police report, was traveling in the wrong lane. He was going north in the south bound lane and came over the

top of a hill to crash head-on with a south bound car driven by Robert B. Nutt, 31, of Dyer, Ind. Nutt suffered five broken ribs but his wife, Marilyn, 33, died three days later as a result of her injuries. The picture of the Grogan car was taken at the Cooper garage, Orland Park. The sound wheels shown are a pair used to tow the wreck. (Marvin Smith photo).
